Oregonians now pay 24 cents per gallon in state gasoline tax. The money collected through state gasoline taxes and motor vehicle registration fees goes to build and maintain highways, streets, roads, bridges, and roadside rest areas. Compared to other services you pay for, such as electricity, water, telephone and garbage collection, do you feel that you get good value for your money from this gasoline tax?

PROBE: You also pay federal taxes on gas [and a few local governments also levy gas taxes].
