311 340 STRENGTH 0 1 0 1 99 I don't know...I just don't know. Sorry.

312 341 STRENGTH 0 1 0 1 19 the diversity

313 98 STRENGTH 0 1 0 1 29 the fact that they have more than one area or speciality that is ranked in the top ten as far as colleges go.

314 99 STRENGTH 0 1 0 1 29 it is still there (the university of oregon) it still exists, continues to exist in these times, and i think its sciences are good.

320 407 STRENGTH 0 1 0 1 14 multicultural stuff

321 408 STRENGTH 0 1 0 1 44 I don't know, one greatest strength...probably the friendliness of everyone around. The moral support of friends and the classes are small enough that you know people but big enough that you see people you don't know.

322 456 STRENGTH 0 1 0 1 22 the business school is one of the top in the U.S.

323 409 STRENGTH 0 1 0 1 15 oooh, the toughest question of all, um, I don't know...I'd say the variety of classes available

538 398 STRENGTH 0 1 0 1 29 I'd say the U of O has a way of making people think about more than what is put right in front of them. It makes people think about the question instead of just the answer. The environment makes people free thinkers.

539 659 STRENGTH 0 1 0 1 46 diversity of opinions

588	617	STRENGTH	0	1	0	1	17	i htink it would have to be the awareness or the openminded ability that poepl have her, just the ability to try different things and not afriad to
589	709	STRENGTH	0	1	0	1	19	diversity
590	618	STRENGTH	0	1	0	1	21	oh i think the professors
591	710	STRENGTH	0	1	0	1	15	one greatest strength huh, I don't know, I suppose the wide varieties of majors offered

617 671 STRENGTH 0 1 0 1 44 community of students, student ineration, with each other, people are friendly, not like the east coast

618 672 STRENGTH 0 1 0 1 29 putting you throguh complete torture in class, yes becuase it's makes you pass and it makes you study harder, on ohter hand, it makes you have no social life, just when your major courses, you have no social

661 719 STRENGTH 0 1 0 1 22 for me i'm studying finance dept. I think they provide really really good courses for bus. students.;;;like finance courses, etc. also they invite guest speakers from other schools, and its a good way to get information ffrom outside of school. And I think they computer system at u. of o is really good for students.- whoever wants to use computer. U of o also provides some good computer courses, for stu's who have never used computers before.

662 692 STRENGTH 0 1 0 1 29 a well rounded education

665 694 STRENGTH 0 1 0 1 43 i would say its campus and the setup of obtaining -- like the academic setting of it like how the camus is, its really easy to register for classes and to get the things you need, its just comfortable.

666 695 STRENGTH 0 1 0 1 15 diversity of classes - course offerings, esp within certain majors, sme depts are weak but in most of the majors I've had I've had a larger degree of courses avaiablcae that I could have chosen from. [anything else?] I think that the library, I work there and have some problems with it, but the expansion is really good. And I think the ITC unit within the library is a really good addition. Its a really good idea to have computers avialbe for students to use for any prupose.

677 725 STRENGTH 0 1 0 1 21 the faculty, teachers and the course content and course materials, and it is a challenging environment inside the classroom.

678 751 STRENGTH 0 1 0 1 14 I think U of O is very good. Because, there are a lot of diff. cultural background students. so I

think that is good for international students. One prob. is the tuition -- kind of expensive.

679	752	STRENGTH	0	1	0	1	19	diversity.

687	729	STRENGTH	0	1	0	1	21	the professors knowing their subject.
688	635	STRENGTH	0	1	0	1	41	um, for me i think that it just that its far enough from home and that its close enough to go home if i need to
689	755	STRENGTH	0	1	0	1	29	that it offers you an opportunity to be exposed to a lot of material, that I don't think most people would avail themselves of otherwise.
690	730	STRENGTH	0	1	0	1	31	its football team.
691	756	STRENGTH	0	1	0	1	21	I would have to say the faculty, I have found them to be uniformly intelligent, coherent people. They seem to care about whether I'm making it. They've been willing to work with me and as a singly parent of two kids, that's important to me. so I would have to say the faculty.
692	731	STRENGTH	0	1	0	1	19	I d have to say ...the diverse people here, Its not like any other campus.
693	757	STRENGTH	0	1	0	1	19	diversity

699	734	STRENGTH	0	1	0	1	48	probably...the...surroundings, and the people. the surroundings are beautiful and the people are diverse, not necessarily in ethnicity but in the way they think.
700	761	STRENGTH	0	1	0	1	15	diversity, in class in offering differnet classes, subject wise
701	736	STRENGTH	0	1	0	1	22	the business school-- and the up and coming changes, the new directions the Univ. is taking, towards becoming more like a Berkeley, or UCLA. and I feel very good aobut an Oregon degerreee, and I'll have no problems getting a job...not one.
702	737	STRENGTH	0	1	0	1	29	it offers a lot of opportunities: academinc, social, leadership. People have to look for them.
703	762	STRENGTH	0	1	0	1	21	the faculty, in my department i htink thatthey ar very compentene

programs what i mean is the way it has gone for access to the internet
and getting computers all over the school.

709 599 STRENGTH 0 1 0 1 19 DIVERSITY

710 444 STRENGTH 0 1 0 1 22 probably for the reason that
i came here which was the journalism program, high standards for
departments.

711 600 STRENGTH 0 1 0 1 31 FOOTBALL

712 739 STRENGTH 0 1 0 1 22 they have...fairly good
...good graduate programs in science. Good labs. I think I would
probbably be more satisfied if I was a grad. student rather than an
undergrad.

713 764 STRENGTH 0 1 0 1 19 the diversity

714 740 STRENGTH 0 1 0 1 19 Its diversity.

715 765 STRENGTH 0 1 0 1 16 diversity on campus. i
think all the different clubs and groups on campus. Once i became a
student senator i realized all the different groups and clubs on campus
and all the different kinds of people in them..

716 741 STRENGTH 0 1 0 1 48 the setting... for the UNiv.

720 743 STRENGTH 0 1 0 1 31 Uhmmm. thats a hard one.
the thing that drew me here probably more than academics, is the track

diff. people here, and it seems that everyone fits together well;
there's no problems between groups, and things like that.

728 770 STRENGTH 0 1 0 1 22 i am in the business school
so I am going to spead from the point of the business school being the
UO's greatest strength. The general atmosphere is very positive and a
very good learning invironment. And the fact that eugenen is a perfect
university town.

729 638 STRENGTH 0 1 0 1 46 um , attention to the
environment [expand] well i mean i haven't thought about this at all but
living here made me quickly aware of the environment

730 747 STRENGTH 0 1 0 1 99 Uhmmmm. I ' don't know.

731 771 STRENGTH 0 1 0 1 21 the professor that make it interesting, the professors that help you build interest within that particular course.

732 639 STRENGTH 0 1 0 1 33 ta da da, extra curricular activities [examples?] different clubs and environmental organizations and student groups

733 748 STRENGTH 0 1 0 1 46 I think the liberalness. the liberal setting really helps you to find out who you are...explore yourself...find yourself...not rigid.

734 749 STRENGTH 0 1 0 1 44 friendly atmosphere. good people. also, I like the location. good size.

743 448 STRENGTH 0 1 0 1 19 DIVERSITY

744 776 STRENGTH 0 1 0 1 23 the way upper division classes are taught-being that they are smaller classes around 30 people rather than freshman classes that approximate 100

745 449 STRENGTH 0 1 0 1 45 Oh my god...I don't know. Probably the atmosphere--how everything's so laid back and people here are a lot more understanding than in California

746 777 STRENGTH 0 1 0 1 21 the help that i've received help from the professors outside of class including office hours and on-line help

747 778 STRENGTH 0 1 0 1 19 its diversity

748 779 STRENGTH 0 1 0 1 43 good looking campus

749 450 STRENGTH 0 1 0 1 14 the fact that there are opportunities to learn from people from many different cultures.

750 196 STRENGTH 0 1 0 1 29 the quality of education

751 197 STRENGTH 0 1 0 1 29 just the experience, overall, it provides...almost out-of-school rather than in school.

752 198 STRENGTH 0 1 0 1 16 I guess, just the diversity in activities that are available.

753 199 STRENGTH 0 1 0 1 43 ...I like the campus and I like the courses. I've been in other schools...how they do the reg. here is so much better than the way they do in other schools...you have to go into a gym and run around, etc.

754 200 STRENGTH 0 1 0 1 46 probably the...activists...people trying to create change. I like the ones who try to uncover things that normally would not be evident to the average observer. Maybe concerning the Univ's political dealings and political activities, I guess.

755 781 STRENGTH 0 1 0 1 15 That they offer lots of majors.

756 640 STRENGTH 0 1 0 1 24 research ability-specifically in my area there is a lot of research to study and participate in

757 782 STRENGTH 0 1 0 1 19 diversity, (what do you mean?) the mix of different types of people.

758 641 STRENGTH 0 1 0 1 22 it has a lot of really good degree programs, it's like a good all around liberal arts program

759	783	STRENGTH	0	1	0	1	21	I think teachers make themselves approachable. Teachers make themselves approachable. If you need help it is readily available to you.
1	201	WEAKNESS	0	1	0	1	31	the low level advising peer and assigned

8	104	WEAKNESS	0	1	0	1	74	comfort of the classrooms
9	105	WEAKNESS	0	1	0	1	52	better access to some of the computer things - the chiles lab - also better acces to the computers in the EMU lab
10	106	WEAKNESS	0	1	0	1	47	parking, more parking
11	51	WEAKNESS	0	1	0	1	31	getting advising time in a timely manner. It is diffculty to find where advisors offices are especially when you are new to campus- find where buildings are. it is hard to pull that info out of people.
12	301	WEAKNESS	0	1	0	1	23	Probably the communication.
13	52	WEAKNESS	0	1	0	1	11	i would make classes a little smaller , the big lecture classes-sometimes i get lost.
14	251	WEAKNESS	0	1	0	1	91	beggars in the street
15	107	WEAKNESS	0	1	0	1	83	a smaller greek system
16	206	WEAKNESS	0	1	0	1	61	lower tution
17	53	WEAKNESS	0	1	0	1	92	student diversity, racial and ethnic diversity, (would you expand on that?) they talk about multi culturalism and diversity but besides asian students they attract very few students from other races and ethnicities
18	302	WEAKNESS	0	1	0	1	92	Its outreach toward minorities.
19	108	WEAKNESS	0	1	0	1	11	offer more classes in the evening
20	303	WEAKNESS	0	1	0	1	48	The preregistration for art majors.
21	109	WEAKNESS	0	1	0	1	99	i dont know, i have no complaints
22	207	WEAKNESS	0	1	0	1	22	teacher seem to be more of researcher thantn teachers and they seem to be more of researchers than teacher.
23	252	WEAKNESS	0	1	0	1	84	i think the students complani an awful lot
24	54	WEAKNESS	0	1	0	1	21	thier GTF programs, sometimes i think there are GTF's that are not qulified to be student teachers
25	55	WEAKNESS	0	1	0	1	11	availability of classes
26	253	WEAKNESS	0	1	0	1	47	chabng eht parking it is horrible
27	110	WEAKNESS	0	1	0	1	31	increase in advising for students
28	304	WEAKNESS	0	1	0	1	98	I don't know.
29	111	WEAKNESS	0	1	0	1	59	it needs to have better research facilities
30	254	WEAKNESS	0	1	0	1	32	let me think for a bit . . . the one thing is that trying to know what is available on campus is really hard. Intramural sources, clubs, I don't even know wherer ot look

for resources. the advertisement of resureces availabel. more computer access

31 56 WEAKNESS 0 1 0 1 61 the cost

32 305 WEAKNESS 0 1 0 1 61 Um, I would sa, um, gees, lower tuition.

33 255 WEAKNESS 0 1 0 1 61 cost of tuition make it lower

34 112 WEAKNESS 0 1 0 1 21 end tenure-university professors should teach, i dont think people should dish out bucks to have gtfs teach, professors are employees and should go through yearly evaluations

35 57 WEAKNESS 0 1 0 1 62 more scholarships

36 113 WEAKNESS 0 1 0 1 61 lower tutition

37 58 WEAKNESS 0 1 0 1 91 i dont think anything, it used to be registration but they made it easy with duck call, actually all the loosers that hang out on 13th street they just bring down the whole experiance of going to school here. I dont even want to walk down 13th now. They just bug me, asking for things.

38 114 WEAKNESS 0 1 0 1 11 smaller class size

39 59 WEAKNESS 0 1 0 1 47 parking

40 210 WEAKNESS 0 1 0 1 111the size--maybe smaller, the teachers and students more close.

41 60 WEAKNESS 0 1 0 1 61 the cost.(how would you change it?) lower it, a lot . I am paying out of state and it gets up there.

42 115 WEAKNESS 0 1 0 1 32 better academic advising more knowledge of what you can do with the classes you have already taken

43 211 WEAKNESS 0 1 0 1 11 smaller classes!

44 61 WEAKNESS 0 1 0 1 48 the department beuracracy needs stream re-aligning, it is an extream mess.

45 116 WEAKNESS 0 1 0 1 11 variety of classes add more classes to the elective pool

46 256 WEAKNESS 0 1 0 1 25 more professors than gtfs to teach upper lever courses and juse=t mor in general

47 1 WEAKNESS 0 1 0 1 98 dk

48 257 WEAKNESS 0 1 0 1 98 k dnont know

49 2 WEAKNESS 0 1 0 1 23 more contact between professors and students. Very cold and impersonal experiances.

50 62 WEAKNESS 0 1 0 1 98 um, i dont really, know that one, i cant tink of anyhting off hand

51 3 WEAKNESS 0 1 0 1 98 dont know

52 258 WEAKNESS 0 1 0 1 61 probably this isgoing to sound normal lower tuition

53 63 WEAKNESS 0 1 0 1 52 id get more use of the computer, say like expand more, than just in the emu and the library, cause three;s always a line

54 4 WEAKNESS 0 1 0 1 75 more facilities for ethnic student groups: and non-us citizens and equal attention

55 64 WEAKNESS 0 1 0 1 98 i really cant think of anything of the top of my head that bothes me about the school

56 259 WEAKNESS 0 1 0 1 98 i dont know

57 5 WEAKNESS 0 1 0 1 23 needs to be more teacher student contact. More personal less cold.

58 6 WEAKNESS 0 1 0 1 98 no idea

59 260 WEAKNESS 0 1 0 1 11 availabilyt of classes

60 65 WEAKNESS 0 1 0 1 23 id say accesibility to professoers and other teaching staff

61 7 WEAKNESS 0 1 0 1 23 teacher interaction with students

62 261 WEAKNESS 0 1 0 1 98 i dont knwo

63 8 WEAKNESS 0 1 0 1 12 What is taught in classroom
is very limited to real life situations-its mostly theory

64 66 WEAKNESS 0 1 0 1 21 gtfs

65 262 WEAKNESS 0 1 0 1 61 maybe the i dont know, maybe
the tuition center for studnets

66 67 WEAKNESS 0 1 0 1 11 faculay to sstudent ratio,
faculty focusing on classroom instructuion instead of research nad
lowering tuition, particulatry, out of state

67 117 WEAKNESS 0 1 0 1 31 more academic advising.

68 68 WEAKNESS 0 1 0 1 11 small student to professor
ratio, 15 to 1 or less, for all areas, every academic pursuit

69 118 WEAKNESS 0 1 0 1 13 i would make it so to get a
bachelors of science in pylosophy you would not have to complete the
bachelor of arts requirements too.

70 69 WEAKNESS 0 1 0 1 11 make the smaller,

71 119 WEAKNESS 0 1 0 1 23 more student, teacher
interaction

72 70 WEAKNESS 0 1 0 1 46 better food helathy offering
more convenient, places all over campuses

73 263 WEAKNESS 0 1 0 1 31 sort of introductory help
for newe students

74 71 WEAKNESS 0 1 0 1 48 the way you preregister for
art classes. the fact that you hav e to wait in line for pre
registration for atr classes, somethn like duck call with time , would
be better, and some classes like computer classes, and for senior and
people who are in the greater need should get more priority than who
gets theree the earliest.

75 72 WEAKNESS 0 1 0 1 47 parking arrangement, they
kinda suck

76 264 WEAKNESS 0 1 0 1 76 i wish rthere was a good
education program i could take patrt in .they are bringing it back but
its toolate for me

77 73 WEAKNESS 0 1 0 1 98 I really odn't know

78 120 WEAKNESS 0 1 0 1 47 parking

79 74 WEAKNESS 0 1 0 1 99 nothing that i cna think of

80 265 WEAKNESS 0 1 0 1 61 well if it was at all
possibl e it would be to lower tuition

81 121 WEAKNESS 0 1 0 1 311the advising system

82 306 WEAKNESS 0 1 0 1 48 preregistration for the fine
arts dept

83 122 WEAKNESS 0 1 0 1 49 i think i would probably
make in state and out of state tuition and elegibility the same, and the
fact that all students have to pay incidental fees yet certaing
organizations exclude certain ppeople i.e. safe ride

84 266 WEAKNESS 0 1 0 1 88 Sometimes I feeel
uncomforatbel iwht discrimination so discrimination

85 151 WEAKNESS 0 1 0 1 88 ummmmmmmmm discrimination

86 307 WEAKNESS 0 1 0 1 97 this may sound stupid but
maybe the community

87 123 WEAKNESS 0 1 0 1 61 the costs

88 267 WEAKNESS 0 1 0 1 99 i dont know, Im not very
familira with the uofo .i havent seen antytng to change

89 124 WEAKNESS 0 1 0 1 61 tuition costs the instate
residency rules

90 268 WEAKNESS 0 1 0 1 23 more one on one time with
instructors

91 308 WEAKNESS 0 1 0 1 92 more diversity

92 152 WEAKNESS 0 1 0 1 92 diversity

93 125 WEAKNESS 0 1 0 1 98 i can't think of anything

right now

94 153 WEAKNESS 0 1 0 1 12 ummm easier to pass all
classes with little work

95 309 WEAKNESS 0 1 0 1 52 improve the use of computers

96 126 WEAKNESS 0 1 0 1 52 computing facilities

97 127 WEAKNESS 0 1 0 1 11 i would make all lower
division classes small get rid of large lectures.

98 154 WEAKNESS 0 1 0 1 23 ummmmmmmmaybe teacher
availability

99 310 WEAKNESS 0 1 0 1 13 change the general education
qualifications, the 16 credit group things , Comment:i'm petitioning
the administration because of changing credits for classes from 3 to 4
credits leaves me a .5 credit short and they want me to take a 4 credit
class . More humanity in the beauracracy,

100 204 WEAKNESS 0 1 0 1 99 nothing

101 75 WEAKNESS 0 1 0 1 61 the cost of tuition

102 155 WEAKNESS 0 1 0 1 52 computer access

103 270 WEAKNESS 0 1 0 1 51 the library hours

104 76 WEAKNESS 0 1 0 1 98 i cant think of anything

105 311 WEAKNESS 0 1 0 1 977maybe improve communications
between other countries

106 128 WEAKNESS 0 1 0 1 61 lower tuition

107 156 WEAKNESS 0 1 0 1 99 nothing I can think of

108 77 WEAKNESS 0 1 0 1 11 fewer undergrad lecture
classes

109 212 WEAKNESS 0 1 0 1 11 the class size too large
they should be limited

110 271 WEAKNESS 0 1 0 1 48 the system of the the way
they regulate the registration for my major. the people have to wait out
side the class to get in the rest of the students can duckcall it. Only
the visual design majors have to do it this way. some visual dishtin
majors have to wait oneyear

111 129 WEAKNESS 0 1 0 1 15 i would turn it from a
liberal arts college to a an engineering college and broader degrees

112 312 WEAKNESS 0 1 0 1 99 i don't know that i would
change anything

113 9 WEAKNESS 0 1 0 1 44 Your academic year, which is
horrendous.

114 213 WEAKNESS 0 1 0 1 71 budget i guess increase the
budget

115 130 WEAKNESS 0 1 0 1 51 the library

116 78 WEAKNESS 0 1 0 1 99 nothing

117 131 WEAKNESS 0 1 0 1 26 i don't know probably my
math instructor

118 10 WEAKNESS 0 1 0 1 91 Other than all of the
dirties on 13th street? That's about it... I'd clean it up.

119 313 WEAKNESS 0 1 0 1 62 probably financial aid,
availibilty, eligibilty, i know alot of people are having a hrad time,
maybe their paarentc make too much money and i think that financial waid
to ahrd to et for people that really need it

120 214 WEAKNESS 0 1 0 1 87 it's moral enviroment it's
too liberal for me

121 79 WEAKNESS 0 1 0 1 26 the attitudes of some
professors (whould you expand) i would just say that some are
inexcessable and hard to deal with, not all of them mind you but some
crucial ones are inexcessable.

122 11 WEAKNESS 0 1 0 1 96 Move it down to california.

123 314 WEAKNESS 0 1 0 1 52 moeny is there, better
equipment,computers and labs need better tools or any other depaartment

124 215 WEAKNESS 0 1 0 1 48 the fine arts registration

is not duckcall it is only one day and it is the day befor

125 12 WEAKNESS 0 1 0 1 11 Accesability to students that do not live on campus and have the ability to show up for things at strange hours. I've got a lot of classes that expect me to drop everything. Older students with kids... it's pretty inflexible.

126 315 WEAKNESS 0 1 0 1 71 well, i like to see the funding improve, the state funding for higher education in genreal, of course that would apply to all public education in the state of oregon. it relates to the funding, i'd like to see a greater emphasize on teachng that on research, th university has taken some steps, but i'd like to see more at the unedergradute level

127 216 WEAKNESS 0 1 0 1 49 the one thing that i have had trouble with is transferring here the proof of not having aid at mt hood and not attenting spring quarter they should be able to call the college or something and do all that themselves instead of having me go up to mt hood and request it myself

128 217 WEAKNESS 0 1 0 1 98 i don't know can't think of one right now

129 316 WEAKNESS 0 1 0 1 51 the library, they need to teach basciall to use the facilities, I took a library 101 class and it kinda at the U of O and they don't offer it anymoe, reall basic, 1 credit and they taught you how to use the dewey system and etc. Hw to use the reserch and theycomputers thataare availbe to us,for me ther's so much information so many newspaer from all over the ovrkd adn because you dont'se e it on Janus, you don't think to ask for the LOnon times, or something else. I use Nexus and the Lexus computers becuase that 's what i kno

130 13 WEAKNESS 0 1 0 1 41 Uh, the registrar's office.

131 317 WEAKNESS 0 1 0 1 98 i have no idea

132 80 WEAKNESS 0 1 0 1 92 ethnic diversity

133 318 WEAKNESS 0 1 0 1 11 the availability of certain classes

134 219 WEAKNESS 0 1 0 1 61 financial, the tution all that stuff

135 132 WEAKNESS 0 1 0 1 11 i would gety more professors per class and smaller classes

136 81 WEAKNESS 0 1 0 1 99 It's alright

137 319 WEAKNESS 0 1 0 1 49 tuition requirements

138 220 WEAKNESS 0 1 0 1 74 funding for school supplies for calsses, etc, state funding for quailty of equipment

139 272 WEAKNESS 0 1 0 1 49 make it easier to establish residency

140 133 WEAKNESS 0 1 0 1 48 the interdepartmental whinieness and lack of working together

141 273 WEAKNESS 0 1 0 1 98 CAN'T COMMENT DON'T KNOW NOT MUCH

142 157 WEAKNESS 0 1 0 1 11 I would add a Judaic Studies department . I think it is critical towards educating both the 1200 Jewish students and the 12000 students on this campus.

143 221 WEAKNESS 0 1 0 1 11 smaller class sizes

144 134 WEAKNESS 0 1 0 1 98 i honestly dont know

145 274 WEAKNESS 0 1 0 1 99 NOTHING TO CHANGE

146 82 WEAKNESS 0 1 0 1 98 dk

147 222 WEAKNESS 0 1 0 1 96 the location

148 320 WEAKNESS 0 1 0 1 11 class size, make it smaller

149 321 WEAKNESS 0 1 0 1 88 that supposed cultural difference

150 223 WEAKNESS 0 1 0 1 62 they put more focus on internatinal students,and when we want to get financial aid it is very difficult and it's not enough

151	83	WEAKNESS	0	1	0	1	31	better advising office
152	84	WEAKNESS	0	1	0	1	51	make more librarys
153	275	WEAKNESS	0	1	0	1	61	TUTUTION
154	276	WEAKNESS	0	1	0	1	47	PARKING
155	224	WEAKNESS	0	1	0	1	25	faculty,they can use more formal professor instead of using lots of GTFs
156	322	WEAKNESS	0	1	0	1	11	um, probably the size if some of the lectures
157	85	WEAKNESS	0	1	0	1	22	teachers more intuned to teaching instead of research
158	225	WEAKNESS	0	1	0	1	41	all of the bueracratci paper work ,we could eliminate some of it
159	277	WEAKNESS	0	1	0	1	47	THE PARKING I CAN NOT UNDERSTAND ALL OF WHAT THE FACULITY SAYS BEACUSE ENGLISH IS MY MY FIRST LANGUAGE IT WOULD BE HELPFUL TO HAVE HELP FROM THE UNIVERSITY TO UNDERSTAND ALL I AM NOT UNDERSTANDING IN CLASS I WOULD LOKE THE UNIVERSITY TO DO THIS
160	226	WEAKNESS	0	1	0	1	98	i dont know,
161	86	WEAKNESS	0	1	0	1	98	dk
162	323	WEAKNESS	0	1	0	1	31	maybe improve advising
163	278	WEAKNESS	0	1	0	1	11	AVALIABILITY OF THE CLASSES
164	87	WEAKNESS	0	1	0	1	53	have teachers hold hands more through computers or else not assign it.
165	227	WEAKNESS	0	1	0	1	32	some of the departmnet, the people who help, per advisors are not too knowlegable about th stuff we need to know
166	135	WEAKNESS	0	1	0	1	98	i dont know
167	279	WEAKNESS	0	1	0	1	98	I don't know
168	14	WEAKNESS	0	1	0	1	92	more intergrationa among racial groups
169	280	WEAKNESS	0	1	0	1	48	getting different depts to work together instead of having it seem like one teacher is "here take all this" when you have 4 other classes ;;;interdept communication
170	88	WEAKNESS	0	1	0	1	92	racial, ethnic relations. (wo8uld you like to expand?) probably would be best just to leave it at that.
171	15	WEAKNESS	0	1	0	1	49	THE RESIDENCY OFFICER
172	281	WEAKNESS	0	1	0	1	98	I don't know
173	282	WEAKNESS	0	1	0	1	11	availability of classes
174	89	WEAKNESS	0	1	0	1	11	more availability of certain classes. most of the classes i have are only offered at one time and i have to take it.
175	16	WEAKNESS	0	1	0	1	53	I'D MAKE SURE THE COMPUTERS WORK ALL THE TIME
176	283	WEAKNESS	0	1	0	1	61	the tuition
177	90	WEAKNESS	0	1	0	1	42	duckcall
178	17	WEAKNESS	0	1	0	1	98	I DON'T KNOW
179	284	WEAKNESS	0	1	0	1	32	the student advising, peer advising
180	285	WEAKNESS	0	1	0	1	62	financial aid
181	91	WEAKNESS	0	1	0	1	15	the music department (would you like to expand?) the atmosphere of the music dept. seems, i did not find the atmosphere very enjoyable so i did not go on as i would like to have done. just making things more available for undergrads in the area of jazz.
182	18	WEAKNESS	0	1	0	1	99	OH I THINK NOTHING I CAN THINK OF
183	286	WEAKNESS	0	1	0	1	48	to move academics ahead of administration, its way out of balance now. There is no good management on this campus anywhere. Everyone is protecting their own turf. No one

praises anyone. They don't have a clue. Its a sad commentary.

184 92 WEAKNESS 0 1 0 1 61 make it cheaper

185 287 WEAKNESS 0 1 0 1 51 the library - the big one

186 19 WEAKNESS 0 1 0 1 61 HUMM... ITS ALWAYS BEEN
PRETTY GOOD FOR ME IT COULD BE LESS EXPENSIVE

187 20 WEAKNESS 0 1 0 1 62 financial aid for students.
(expand on that) there is not enough of it.

188 136 WEAKNESS 0 1 0 1 61 tuition

189 288 WEAKNESS 0 1 0 1 47 um parking

190 21 WEAKNESS 0 1 0 1 12 the interest of classes i
dont think they are that interesting

191 137 WEAKNESS 0 1 0 1 61 the tuition

192 289 WEAKNESS 0 1 0 1 87 the u of o is biased to
feminism against male it is discriminatory against males i dont think
the dean of students treats male students fairly.

193 22 WEAKNESS 0 1 0 1 12 the dryness of the 100 level
classes.

194 138 WEAKNESS 0 1 0 1 61 tuition

195 23 WEAKNESS 0 1 0 1 49 i would put a brew pub in
the emu where the bowling alley is.

196 290 WEAKNESS 0 1 0 1 22 the surroundinfg sturctures
on the surface level.as for the business professors i cant speak for
others, to concentrate more on teaching us then on their reserarchh and
getting thier phds

197 139 WEAKNESS 0 1 0 1 11 additional classes

198 291 WEAKNESS 0 1 0 1 21 get rid of all the bad
professors relating to theri tenure procedures how it is impossible to
get rid of someone no matter what the case may be.

199 24 WEAKNESS 0 1 0 1 84 just kind of getting people
involved, i know for a little while i did not know how to get involved

200 140 WEAKNESS 0 1 0 1 21 the graduate teaching
fellows knowledge of the subjects that they teach

201 292 WEAKNESS 0 1 0 1 61 MAYBE THE TUITION COSTS

202 141 WEAKNESS 0 1 0 1 11 i would probably improve the
ratio of students and faculty

203 293 WEAKNESS 0 1 0 1 11 SMALLER CLASS SIZE I THINK
WOULD REALLY HELP THE ACADEMIC PROGRAM

204 25 WEAKNESS 0 1 0 1 47 i cant think of anything,
probably the parking

205 142 WEAKNESS 0 1 0 1 23 more contact with professors

206 294 WEAKNESS 0 1 0 1 32 M=HMMM UM MAYBE LIKE A
EARLIER IDENFICATION OF MAJORS AND A CAREER SEARCH TO IDENIFY YOUR
MAJOR EARLIER

207 143 WEAKNESS 0 1 0 1 98 have no idea

208 26 WEAKNESS 0 1 0 1 98 i cant think of a thing.

209 27 WEAKNESS 0 1 0 1 47 parking lots

210 28 WEAKNESS 0 1 0 1 11 more night classes offered.

211 29 WEAKNESS 0 1 0 1 52 i would increase the number
of computer terminals for use by the students.

212 144 WEAKNESS 0 1 0 1 25 get rid of students who
teach upper division classes (i.e. sociology-Dale Montoya), and teach
the peer advisors HOW to advise. Also, let students feel free to give
own opinions and not be afraid of expressing themselves for fear of
failing a class (i.e.-Dale Montoya-SOC 380).

213 324 WEAKNESS 0 1 0 1 61 tuition...make it cheaper.

214 145 WEAKNESS 0 1 0 1 11 faculty /student ratio
probably

215 30 WEAKNESS 0 1 0 1 98 i dont know

216 325 WEAKNESS 0 1 0 1 61 I hope tuition is not so
expensive.

217 146 WEAKNESS 0 1 0 1 25 more professors instead of
 GTF's
 218 31 WEAKNESS 0 1 0 1 62 availability of financial
 aid and scholarships.
 219 326 WEAKNESS 0 1 0 1 11 More classes offered for the
 times. that's about it. and better pay for instructors.
 220 147 WEAKNESS 0 1 0 1 23 its a little impersonal
 221 32 WEAKNESS 0 1 0 1 21 the gtf's i dont know
 exactly what i would just make them better.
 222 33 WEAKNESS 0 1 0 1 99 nothing yet
 223 327 WEAKNESS 0 1 0 1 98 I don't know.
 224 148 WEAKNESS 0 1 0 1 21 ummm, i think they should
 have tighter control on evaluating professors
 225 149 WEAKNESS 0 1 0 1 11 uhhhhh smaller class sizes
 226 34 WEAKNESS 0 1 0 1 62 it is very difficult to get
 a hold of anybody in the financial aid dept. like a financial aid
 advisor or counselor.
 227 328 WEAKNESS 0 1 0 1 98 It is difficult for me to
 say.
 228 150 WEAKNESS 0 1 0 1 21 that would be, ummm, I hate
 to say this but the GTF's in the English dept, the discussions that are
 led by the GTF"s add nothing to the material, it is a common concern and
 is this anonymous???
 229 228 WEAKNESS 0 1 0 1 11 make smaller classes in some
 areas, sciences
 230 229 WEAKNESS 0 1 0 1 98 i cna't think of anything
 231 230 WEAKNESS 0 1 0 1 85 more non acholic activities
 n cmapus, promaotion of more, support of more or somtehitting, jesus
 232 231 WEAKNESS 0 1 0 1 11 the crowds, just too crowded
 233 295 WEAKNESS 0 1 0 1 61 tuiotion
 234 35 WEAKNESS 0 1 0 1 98 i really dont know anything
 right now.
 235 296 WEAKNESS 0 1 0 1 32 um i would like the way that
 syudents know about their requirements and find out what they need to
 complete their degree be better communcated
 236 232 WEAKNESS 0 1 0 1 11 now that iam trying to do my
 scheldule, class schelduls, well, can change my mind? veto that and put
 tutions prices
 237 233 WEAKNESS 0 1 0 1 59 let more undergrads inot
 research
 238 297 WEAKNESS 0 1 0 1 33 more emphasis on stress
 reduction type of seminars and lets see ... um maybe more teaching
 assistence perhaps people other than the professor(that may have
 experience and different office hours) that could awnser questions
 239 36 WEAKNESS 0 1 0 1 98 i dont know for sure.
 240 234 WEAKNESS 0 1 0 1 98 i don't know
 241 298 WEAKNESS 0 1 0 1 99 i like it how it is i dont
 think id change anything
 242 235 WEAKNESS 0 1 0 1 11 size of the classes
 243 37 WEAKNESS 0 1 0 1 31 academic advising and
 teacher quality.
 244 38 WEAKNESS 0 1 0 1 31 to be assigned an advisor,
 someone who could help you fill out your classes every time so you would
 know you would be taking the right stuff. To get an advisor, that would
 be great.
 245 39 WEAKNESS 0 1 0 1 61 possibly to lower the
 finances - tuition might be a little high
 246 236 WEAKNESS 0 1 0 1 76 to bring back departements
 that they've cut such as education and some of the others
 247 40 WEAKNESS 0 1 0 1 91 Less Beggars on 13th

248 237 WEAKNESS 0 1 0 1 53 the computer situation,
nothing works ever

249 41 WEAKNESS 0 1 0 1 11 class size - make them
smaller. Actually my first choice would be tuition

250 238 WEAKNESS 0 1 0 1 11 i would introduce an
undergraduate legal , a pre law

251 42 WEAKNESS 0 1 0 1 15 better education program

252 239 WEAKNESS 0 1 0 1 22 increase the focus on
education as opposed to research, without a doubt few of the gtfs and
profss don't have strong teaching skills, because of the lack of real
strong leadership motivated students can't get alot out of classes than
they could in independent study

253 43 WEAKNESS 0 1 0 1 22 some of the faculty I think
it would be good if professors could focus more on teaching rather than
their research.

254 240 WEAKNESS 0 1 0 1 41 communication with
administration

255 44 WEAKNESS 0 1 0 1 81 student awareness of what
the ASUO is doing.

256 45 WEAKNESS 0 1 0 1 11 number of students who go
here (how you change that) i would prefer that there were less.

257 46 WEAKNESS 0 1 0 1 47 parking

258 47 WEAKNESS 0 1 0 1 49 student health center, like
the service there, i guess i just felt the doctors there were
impersonal.

259 48 WEAKNESS 0 1 0 1 22 improove biology teachers
ability to teach the course and not be researchers that stop in
periodically to teach the course, instead of being researchers they
could be teachers because that is what their job is.

260 49 WEAKNESS 0 1 0 1 11 i would like to have more
painting classes too many students trying to get into the classes and
their is not enough classes available

261 50 WEAKNESS 0 1 0 1 11 the availability of art
classes for majors or for anyone more sections of art classes and too
many are trying to get into them

262 351 WEAKNESS 0 1 0 1 61 well make the tuition lower
it is too expensive

263 352 WEAKNESS 0 1 0 1 98 ummm gosh i don't know i
really don't know

264 353 WEAKNESS 0 1 0 1 59 um i guess it would have to
be updating the info available ant the research info abvailable at the
journalism school it is really outdateed

265 329 WEAKNESS 0 1 0 1 61 the cost

266 93 WEAKNESS 0 1 0 1 11 the class sizes in upper
division are very large, especially 400 level should be smaller.

267 158 WEAKNESS 0 1 0 1 12 probably the relationships
between students and people in their career field, like students and
alumni in their field.

268 330 WEAKNESS 0 1 0 1 13 the requirements that are
really not useful either in your major or ins ociety because who you
already are, are expensive and waste of time, specifically the race and
culture class was a waste of time for me because i have 10 foreign
exchange students and i know cultural diverisfication

269 94 WEAKNESS 0 1 0 1 61 the cost

270 331 WEAKNESS 0 1 0 1 32 i think it would be more
responsive to new students especcially transfer students, i was out of
school for about 13 years

271 159 WEAKNESS 0 1 0 1 47 parking, parking, parking

272 332 WEAKNESS 0 1 0 1 47 parking

273 95 WEAKNESS 0 1 0 1 11 make it easier to get into

classes, make it so you dont get shut out of classes.

274 160 WEAKNESS 0 1 0 1 96 what would I do, move the school of music so it is more on-campus, yes, more on-campus

275 333 WEAKNESS 0 1 0 1 47 i would probably change the parking

276 96 WEAKNESS 0 1 0 1 21 the teaching quality

277 161 WEAKNESS 0 1 0 1 45 resident advisors, RA's

278 334 WEAKNESS 0 1 0 1 98 i doint really know, i hadnt really thought about it

279 97 WEAKNESS 0 1 0 1 31 having mandatory advising at least once a year.

280 354 WEAKNESS 0 1 0 1 84 Probably more student involvement.

281 162 WEAKNESS 0 1 0 1 11 class size

282 335 WEAKNESS 0 1 0 1 99 nothing

283 299 WEAKNESS 0 1 0 1 47 parking

284 355 WEAKNESS 0 1 0 1 94 I can't really think of anything. Oh, can I add something? Maybe a footbridge over to the other side of 13th street? I think it's only a matter of time before some student gets hit by a bus.

285 300 WEAKNESS 0 1 0 1 61 make it less expensive and wouldn't make classes qite as big, that's probably more important than making it les expensdive

286 241 WEAKNESS 0 1 0 1 23 um probably the relationships between profs and students id like them to take more to get involved with students..

287 356 WEAKNESS 0 1 0 1 61 High cost of tuition.

288 401 WEAKNESS 0 1 0 1 11 can't think of one, smaller classes

289 402 WEAKNESS 0 1 0 1 51 i would say, library, i need greater help in the library, just more information baout how to acces inforamtina the library, ther ought in a class or sometihng like that

290 357 WEAKNESS 0 1 0 1 31 Probably a better structure for academic advising, nobody seems to know what they're talking about.

291 242 WEAKNESS 0 1 0 1 11 the technical program there isnt much of one so just adding it . I really see high tech as being oregons future and i think that the u of o could become as strong in this area as OSU.

292 403 WEAKNESS 0 1 0 1 32 a personal experinces for fresman with advors and atuff like that

293 358 WEAKNESS 0 1 0 1 82 The sports program.

294 243 WEAKNESS 0 1 0 1 98 gee, i really cant think of anything

295 404 WEAKNESS 0 1 0 1 72 j deication to the faculty, not a lot of resources are for keeping good professors, i know th esoc depta keeps losing thier good pffessor and the englihs

296 359 WEAKNESS 0 1 0 1 51 Longer hours for the library.

297 244 WEAKNESS 0 1 0 1 46 i thnk theri should be a meal card or something at the emu that you dont always have to have cash on you

298 405 WEAKNESS 0 1 0 1 21 no calls during bieverly hills,better gtf

299 245 WEAKNESS 0 1 0 1 98 i have no idea,

300 360 WEAKNESS 0 1 0 1 52 Computer support. (PROBE)
Um, such as printing, network devices and computer security.

301 406 WEAKNESS 0 1 0 1 48 the organization of the ceramics department, it's just fairly unogranizedd in termo fthingd being ordered, the cleanillness, the ptrlbems wiht ordering things, the availaibilites of some of the pffessors during thier office hours

302 246 WEAKNESS 0 1 0 1 11 size of classes they could
 be a little smaller
 303 361 WEAKNESS 0 1 0 1 98 I can't think of anything.
 304 362 WEAKNESS 0 1 0 1 98 i can't think of anything
 right noe
 305 363 WEAKNESS 0 1 0 1 11 incorporate distance
 learning degrees
 306 337 WEAKNESS 0 1 0 1 99 I don't think I would change
 anything.
 307 364 WEAKNESS 0 1 0 1 11 the student to teacher ratio
 308 338 WEAKNESS 0 1 0 1 61 the student fees--I think
 they should be voluntary.
 309 365 WEAKNESS 0 1 0 1 26 i would like to change the
 attitude of most staff to a costomer service oriented mentality or mind
 set
 310 339 WEAKNESS 0 1 0 1 23 I'd say the..probably having
 more personal interaction with professors.
 311 340 WEAKNESS 0 1 0 1 99 I'm content...(PROBE)I
 haven't run into any problems yet.
 312 341 WEAKNESS 0 1 0 1 13 require more writing and
 communication classes. there are no communications classes required,
 and I think at least a year should be required--communication and
 writing skills.
 313 98 WEAKNESS 0 1 0 1 87 the liberal biase
 314 99 WEAKNESS 0 1 0 1 92 the tolarence of the people
 for one another.
 315 100 WEAKNESS 0 1 0 1 21 the gtf's. mabe like making
 stricter qualifications or something. (explain?) if they are assisting
 in the class it should be evident that they have enough knowledge in
 that subjet to grade the students effectively and correctly.
 316 452 WEAKNESS 0 1 0 1 11 avaliability of classes or
 cheaper tuition actually.
 317 453 WEAKNESS 0 1 0 1 99 cant really think of much i
 seem to be pretty happy.
 318 454 WEAKNESS 0 1 0 1 11 class size (how would
 change?) decrease the class sizes make more classes have more prof.s
 319 455 WEAKNESS 0 1 0 1 49 try to focus more on the
 concerns of the actual oregon residents. It seems there are more out of
 state students than in state. i have seen the oregon academic system
 deteriorate. I do feel fortunate to be able to attend the UofO.
 320 407 WEAKNESS 0 1 0 1 74 ummm, the way they use money
 for the buildings and stuff
 321 408 WEAKNESS 0 1 0 1 47 Uh, I don't know, probably
 my efforts. Maybe the parking at Autzen Stadium. I wish they would get
 rid of the police station next to the 7 11 on 13th, I think it is
 totally unnecessary
 322 456 WEAKNESS 0 1 0 1 49 i would like to change the
 recreation center at the EMU, i mean the bowling lane is very bad. (how
 would you change it?) i would like to renevate the recreation center
 especially the bowling lane, and i would like to up grade the pool and
 snooker tables they are in very bad condition.
 323 409 WEAKNESS 0 1 0 1 11 um, the availability of some
 of the classes
 324 457 WEAKNESS 0 1 0 1 26 ethnic studies dept. Hire
 different professors
 325 247 WEAKNESS 0 1 0 1 23 they could try to, because
 it is a big campus, trya harder to get the professors to get to know the
 stuidents, it also take initiative on students, if they could make
 everyone tfeel comfortable, i guess have better profeesor-student
 communications

326 163 WEAKNESS 0 1 0 1 22 not be so research oriented,
 I think.
 327 342 WEAKNESS 0 1 0 1 34 more tutors
 328 248 WEAKNESS 0 1 0 1 31 the academic advising and
 Oregon Hall those people are satan down there
 329 410 WEAKNESS 0 1 0 1 13 the requirements...(probe)
 the specific requirements for graduation, the core-requirements I would
 change. Include humanities as a required class.
 330 458 WEAKNESS 0 1 0 1 61 Tuition for out of state
 students is too high.
 331 249 WEAKNESS 0 1 0 1 12 including different
 viewpoints for discussion classas, because everythning here is liberal
 and leftwing and it gets really old
 332 164 WEAKNESS 0 1 0 1 85 um, have maybe activities
 that um are , might bring smaller groups together, I dont know, I also
 think the campus is too big
 333 343 WEAKNESS 0 1 0 1 71 get the university more
 active at the state level as far as funding goes.
 334 411 WEAKNESS 0 1 0 1 47 parking--more parking spots
 for students...we have a lot, but a lot of them are marked 45 mins. or
 two hours...there just isn;t a lot of places to park.
 335 250 WEAKNESS 0 1 0 1 61 tuition
 336 165 WEAKNESS 0 1 0 1 98 I have no idea
 337 344 WEAKNESS 0 1 0 1 32 improve the peer advising,
 have they know what they are talking about.
 338 412 WEAKNESS 0 1 0 1 98 I wouldn't know at this
 point.
 339 501 WEAKNESS 0 1 0 1 21 thefact that professors
 should have actual interest in teaching, i find profss interested
 inputting out some materials but not willing to help you understand it
 340 345 WEAKNESS 0 1 0 1 21 teaching quality
 341 166 WEAKNESS 0 1 0 1 92 I would, I guess, have it
 more ethnically combined.
 342 502 WEAKNESS 0 1 0 1 61 cheaper
 343 413 WEAKNESS 0 1 0 1 52 More computers.
 344 167 WEAKNESS 0 1 0 1 23 definitely faculty advising
 and relationships to students outside of class in an advising type
 relationship. yeah, faculty advising.
 345 209 WEAKNESS 0 1 0 1 15 porbably the organization, i
 guess
 346 503 WEAKNESS 0 1 0 1 98 i dunno
 347 346 WEAKNESS 0 1 0 1 11 the size of its classes
 348 414 WEAKNESS 0 1 0 1 61 Lower the out of state
 tuition.
 349 168 WEAKNESS 0 1 0 1 11 have sufficient classes
 available for the students
 350 415 WEAKNESS 0 1 0 1 11 More majors...more fields of
 study
 351 169 WEAKNESS 0 1 0 1 61 thats tough, cheaper books,
 just kidding, don't put that down, hee-hee, I really dont know
 352 459 WEAKNESS 0 1 0 1 87 Their political attitude.
 353 460 WEAKNESS 0 1 0 1 11 I would like to see more
 classes in the english department, more 200 and 300 level classes,
 taught by full professors.
 354 347 WEAKNESS 0 1 0 1 47 parking
 355 461 WEAKNESS 0 1 0 1 11 How often classes are
 offered, there are a lot of year long classes that if you don't get in
 the first term, you're stuck for the rest of the year.
 356 348 WEAKNESS 0 1 0 1 21 lower level 100 or 200 level
 the teachers don/t teach very well over half of the class fail the

tests and they grade on a curve they need to improve this

357 462 WEAKNESS 0 1 0 1 31 I think that from my experiences that the academic advisors need to be a little more flexible with their time, to meet with students.

358 349 WEAKNESS 0 1 0 1 23 more like help from the faculty more one on one

359 463 WEAKNESS 0 1 0 1 42 Duckcall.

360 350 WEAKNESS 0 1 0 1 52 allowing more students to get a nhold of more computers more or bigger computer labs

361 464 WEAKNESS 0 1 0 1 15 Biggest beef is the languages, foreign languages.

362 551 WEAKNESS 0 1 0 1 47 parking old people like me to get financil help or something get more classes in the early evenings afer work hours

363 366 WEAKNESS 0 1 0 1 98 i don't know

364 367 WEAKNESS 0 1 0 1 98 i can't think of anything

365 368 WEAKNESS 0 1 0 1 11 some of the labs i would make them smaller so there would be more personal contact with the GTS, make more time available for the labs like night time and more daytime labs.

366 369 WEAKNESS 0 1 0 1 47 um nothing really oh more parking

367 465 WEAKNESS 0 1 0 1 99 nothing at all i don't think i've been here long enough to know of anything that needs changing

368 370 WEAKNESS 0 1 0 1 11 the classes are too big i would like to make them smaller

369 451 WEAKNESS 0 1 0 1 92 the racial diversity i would like to broaden it

370 466 WEAKNESS 0 1 0 1 41 i'd like the admini. to be changed they don't support the staff and are just more business like instead of serving the students

371 467 WEAKNESS 0 1 0 1 62 financial aide there is alot of unmet need to many of us are in dept espically out of state students

372 170 WEAKNESS 0 1 0 1 11 length of classes (periods of classes are too short, not enough time for instruction)

373 371 WEAKNESS 0 1 0 1 74 more adaptive equipment for people with disabilities

374 468 WEAKNESS 0 1 0 1 47 parking

375 171 WEAKNESS 0 1 0 1 11 class size - decrease it - especially for freshmen and undergrads

376 469 WEAKNESS 0 1 0 1 71 i think it doesnt have enough money to run on it has had to cut alot of program and there are to many t a,s instead of professors

377 372 WEAKNESS 0 1 0 1 24 maybe the faculty , add more faculty of color

378 416 WEAKNESS 0 1 0 1 41 the accounts recievable dept., the billing proceedures. (would you expand?) i dont find them very helpful when i have had questions about my bill..

379 172 WEAKNESS 0 1 0 1 33 counselers availability to the students

380 373 WEAKNESS 0 1 0 1 23 more individual attention

381 470 WEAKNESS 0 1 0 1 61 cost of tutition

382 417 WEAKNESS 0 1 0 1 11 reduce some class size

383 173 WEAKNESS 0 1 0 1 47 parking - I would like to see them construct classes to help young people adapt to the job market something more real - there doesn't seem to be as much practical knowledge as there should be - if I am paying for this give me something that I need and that i can use

384 374 WEAKNESS 0 1 0 1 23 i would have to say

communication between faculty and students- faculty members tend to put up barriers so students don't feel comfortable approaching faculty members unless it is critical situation

385 174 WEAKNESS 0 1 0 1 99 I can't think of any one thing

386 418 WEAKNESS 0 1 0 1 11 perhaps making some classes more accessible

387 471 WEAKNESS 0 1 0 1 11 smaller and more focused humanities courses

388 504 WEAKNESS 0 1 0 1 94 ummm the stupid cop station on 13th, and the cops always driving down 13th.

389 472 WEAKNESS 0 1 0 1 98 idontknow

390 473 WEAKNESS 0 1 0 1 11 smaller class size

391 552 WEAKNESS 0 1 0 1 47 parking

392 553 WEAKNESS 0 1 0 1 74 the size of the class rooms. (how would change them?) change the chair and the table and the projector display.

393 375 WEAKNESS 0 1 0 1 45 Housing, availibility f decenta nd affordable houising for studnets

394 419 WEAKNESS 0 1 0 1 47 I DON'T KNOW MAYBE THE PARKING

395 376 WEAKNESS 0 1 0 1 11 smaller class size

396 420 WEAKNESS 0 1 0 1 87 IT IS KIND OF LIKE THE HIPPII ADDITUTE OF EMGENR

397 505 WEAKNESS 0 1 0 1 21 probably some of the GTF's that the undergraduates get.

398 554 WEAKNESS 0 1 0 1 76 encourage the administration to check the popularity of courses and major courses before they cut those fields of study because a lot of courses have been cut and they dont check it out with people first.

399 377 WEAKNESS 0 1 0 1 91 the people that hang out on campus who do not go to the sxhall

400 474 WEAKNESS 0 1 0 1 44 change quarter system to semester system

401 378 WEAKNESS 0 1 0 1 73 enlarge the art dept

402 421 WEAKNESS 0 1 0 1 76 I PROBABLY WOULD LIKE A FEW MORE DEPARTMENTS ADDED THE ONES THAT WERE CUT AND MORE PAARKING

403 475 WEAKNESS 0 1 0 1 11 availibility of classes.

404 476 WEAKNESS 0 1 0 1 32 better interaction between counselors and studenst to know whtat is availible on campus

405 555 WEAKNESS 0 1 0 1 62 waiting in lines for financial aid.

406 422 WEAKNESS 0 1 0 1 98 I DON,T KNOW I CAN;T THINK OF ONE

407 379 WEAKNESS 0 1 0 1 99 i cna't realy think of anyhting ertight now, i like ewaht ia m doing i think it's really challenging

408 477 WEAKNESS 0 1 0 1 82 I would like the rowing program to be varsity funded

409 423 WEAKNESS 0 1 0 1 61 THE OUT OF STATE TUTITION TRY TO BALANCE THE IN AND OUT MORE FUNDING

410 380 WEAKNESS 0 1 0 1 47 i don't really nkow since it is my first term here. i really cna't think of anything right of hand, i am prteety happy with my classes, oh i aknow a good one, th parking situation

411 424 WEAKNESS 0 1 0 1 92 A LARGER OF DIVERSITY OF MINORITY STUDENT

412 506 WEAKNESS 0 1 0 1 12 taking less hard classes I guess

413 478 WEAKNESS 0 1 0 1 47 parking

414 175 WEAKNESS 0 1 0 1 46 make somewhere a food store on campus

415 425 WEAKNESS 0 1 0 1 73 THE ARTS PROGRAMS I WOULD PROVIDE MORE FUNDING FOR THE ARTS AND NOT FOR SPORTS

416 479 WEAKNESS 0 1 0 1 23 have more interaction between prof and students or smaller classes

417 381 WEAKNESS 0 1 0 1 21 faculty teaching skills, i 's appreciated the faculty being more oriented towards students developemnt that ntowards research

418 556 WEAKNESS 0 1 0 1 62 financial aid office (would you expand?) notifying you of your awards and the way they communicate with you through the mail, i have gotten different letters from them and I have been very confused. If they could streamline that some way.

419 507 WEAKNESS 0 1 0 1 23 having faculty members be more involved with students, and the administration in Oregon Hall be more receptive to students to problems I have had problems with them not being receptive to my needs.

420 557 WEAKNESS 0 1 0 1 52 i would like to see more access to computer labs, it seems pretty limited.

421 426 WEAKNESS 0 1 0 1 11 that there were more specified, that it was easier to find a major, theres too many big classes, and you dont get to do what you want to do until the last year

422 176 WEAKNESS 0 1 0 1 49 I would change the doctors at the student health center and I would cut out the red tape for the financial aide and I would put more emphasis on helping students financially that need it.

423 480 WEAKNESS 0 1 0 1 94 um, let's see, I would say in campus safety

424 177 WEAKNESS 0 1 0 1 84 student involvement I would like to see more people involved in more things rather than just football

425 427 WEAKNESS 0 1 0 1 84 involovement with students i guess

426 558 WEAKNESS 0 1 0 1 14 i would make it academically more difficult.

427 481 WEAKNESS 0 1 0 1 99 um,..., gosh, it's real hard I can't really say I would change anything, where I am right now

428 508 WEAKNESS 0 1 0 1 71 money, funding of faculty and programs

429 178 WEAKNESS 0 1 0 1 11 classes for undergraduates I would like them tjo be available in the evenings.

430 482 WEAKNESS 0 1 0 1 31 um, I'd improve advising

431 509 WEAKNESS 0 1 0 1 92 less emphasis on cultural diversity

432 428 WEAKNESS 0 1 0 1 11 probably smaller class size and more cultural diversity, iknow thats two things but i hope thats okay

433 179 WEAKNESS 0 1 0 1 52 that they could open the EMU computer lab longer

434 510 WEAKNESS 0 1 0 1 61 a lot of the fees such as incedental fees

435 483 WEAKNESS 0 1 0 1 31 its academic of its academic advising program. The approachability of the advisors

436 429 WEAKNESS 0 1 0 1 26 core biology, george and karen sp[rague are the worst teachers i've had and they use core as a weeder class and it discourages students from pursuing billogy

437 484 WEAKNESS 0 1 0 1 92 actually, to up the ethnic and gender requirement

438 559 WEAKNESS 0 1 0 1 49 i think they should except

more in state students over out of state students.

439 180 WEAKNESS 0 1 0 1 99 nothing

440 511 WEAKNESS 0 1 0 1 92 for people on campus to start actually doing something about students of color and international students rather than just talking about it.

441 430 WEAKNESS 0 1 0 1 99 nothing

442 485 WEAKNESS 0 1 0 1 11 more night classes

443 560 WEAKNESS 0 1 0 1 87 make it more of a conservative college and less liberal.

444 512 WEAKNESS 0 1 0 1 13 the basic requirements the classes the lower division requirements not in terms of your major but university requirements i'd change the teaching style of the lower division requirements. on that the level of interest should be there for a student whether its 1st term or last year they are imp't classes and should be taught well

445 486 WEAKNESS 0 1 0 1 21 I think we could hire better professors in the political science dept.

446 561 WEAKNESS 0 1 0 1 11 pretty low ratio of students to teachers, the classes are too big (undergrad classes)

447 431 WEAKNESS 0 1 0 1 15 i would change the structure of the business school, the format of the way things are taught

448 513 WEAKNESS 0 1 0 1 41 i guess well at oregon hall just making more general knowledge of other peoples offices within the administration to make it more efficient for the students.

449 432 WEAKNESS 0 1 0 1 44 it would be to change to a semester system

450 487 WEAKNESS 0 1 0 1 13 well, pertaining to music, there are core classes you are required to take, classes in art music history traditional are the only ones which fulfill that requirement and I think Jazz music history and there's should also fulfill that.

451 514 WEAKNESS 0 1 0 1 98 i don't have a good answer i need to be here longer than three months.

452 208 WEAKNESS 0 1 0 1 99 ohhhh, let me think, overall, right? there's nothing comes to my mind right now, sorry!

453 562 WEAKNESS 0 1 0 1 22 more emphasis on learning less emphasis on research

454 488 WEAKNESS 0 1 0 1 47 parking

455 515 WEAKNESS 0 1 0 1 42 umm that stupid duck call thing, only cause I got stuck paying for classes I withdrew from.

456 563 WEAKNESS 0 1 0 1 23 the availability of the professors and their contact times

457 489 WEAKNESS 0 1 0 1 48 registration for art classes (how?) maybe they do it through duck call because it is like an arena thing right now it is kind of disorganized.

458 516 WEAKNESS 0 1 0 1 13 ummm I would increase the criteria for english and writing requirements to graduate.

459 564 WEAKNESS 0 1 0 1 98 i don't know

460 517 WEAKNESS 0 1 0 1 11 smaller classes

461 490 WEAKNESS 0 1 0 1 25 more professor teachers as apposed to GTF's

462 565 WEAKNESS 0 1 0 1 32 the advising system, like informing the students when you need to turn in graduation applications, when you have to have things in by. It's like you're informed as a freshman and then you're not informed again.

463 518 WEAKNESS 0 1 0 1 11 uhhhh probably be uh the fact that some classes there aren't offered enough, for example when a class is full and people are still trying to get in it, they should offer it again add another class

464 491 WEAKNESS 0 1 0 1 61 the cost of education and the size of the classes

465 519 WEAKNESS 0 1 0 1 73 the ethnic studied or
 multicultural program- give more \$ to these programs
 466 492 WEAKNESS 0 1 0 1 61 lower tuition
 467 566 WEAKNESS 0 1 0 1 11 scheduling,ive had a hard
 time getting the classe you neexcd and them being availabel each termm
 468 520 WEAKNESS 0 1 0 1 91 it would be, hmmm, I guess
 oh , I am not sure oh I would clear out all the annoying hippie people,
 they get in the way, they stink and they get in the way, and we are
 trying to have a goosd studying environment and they are always on
 campus and we are paying good money on tuition and they are always
 hanging out and they don't even go here, they really piss me off!!!!
 469 493 WEAKNESS 0 1 0 1 98 i dont know,
 470 382 WEAKNESS 0 1 0 1 48 Fine arts registration.
 471 567 WEAKNESS 0 1 0 1 99 nothingg
 472 601 WEAKNESS 0 1 0 1 21 teh faculty, just better
 faculty, pretty much all around, and smaler classes
 473 494 WEAKNESS 0 1 0 1 52 more computors in the
 librariys available to students
 474 383 WEAKNESS 0 1 0 1 61 The tuition.
 475 602 WEAKNESS 0 1 0 1 84 unity like of scool spitirt
 i guess
 476 218 WEAKNESS 0 1 0 1 13 i would have it so that
 when you have a requirement when you came into the school it was
 absolutly definitely going to stay the same all the way throught.
 477 603 WEAKNESS 0 1 0 1 25 the amount of GTFs teadhing
 classes,less GTFS
 478 384 WEAKNESS 0 1 0 1 92 It's lack of diversity.
 479 495 WEAKNESS 0 1 0 1 47 the parking lot
 480 385 WEAKNESS 0 1 0 1 47 Parking.
 481 521 WEAKNESS 0 1 0 1 84 the availibl=ility of
 getting involved there are not enough resources for someone who is new
 get involved.
 482 604 WEAKNESS 0 1 0 1 11 more spnaish clasese offered
 483 522 WEAKNESS 0 1 0 1 61 a little less expensive
 would be nice
 484 386 WEAKNESS 0 1 0 1 53 In the Yamada language
 center, we have a class there once a week, and the machines are always
 broken.
 485 606 WEAKNESS 0 1 0 1 25 get ore professor to teach
 the classes and incorportate their reseacrh finding inot the classromm,
 and be more open to studnets
 486 496 WEAKNESS 0 1 0 1 32 for students that are
 undeclared, have better advising for them.
 487 387 WEAKNESS 0 1 0 1 24 They need to have more
 teachers like, you know, from different races and stuff. More variety.
 Hire more minorities.
 488 523 WEAKNESS 0 1 0 1 47 what really bugs me is the
 whole parking system it sound trivial but it actually affects they way
 you are as a student i have missed class becuase i havent been able to
 find a place to park. it just bothers me that they sell parking permits
 and then they dont have spaces they dont sell anything yet they have
 taken our money and i think thats fraud
 489 607 WEAKNESS 0 1 0 1 95 my GPA, oh man, the weather,
 maybe if they had a little more variety of majors, htey have marketing
 and they have jsut stared a sports marketing, maybe just go more into
 depth
 490 497 WEAKNESS 0 1 0 1 98 i really dont know
 491 498 WEAKNESS 0 1 0 1 44 make it two seminsters
 instead of trimesters
 492 608 WEAKNESS 0 1 0 1 32 The peer advising that goes

on in the business school--I don;t feel that it';s adequate enough.

493 388 WEAKNESS 0 1 0 1 32 somebody when you don't know the answer can help you no matter what the question was, especially in scheduling. The classes you need to take for your major to graduate are not available always.

494 524 WEAKNESS 0 1 0 1 83 the image of greeks on campus the frat sorority system, i just see tyhat they have a bad image partly due their own actions and partly due to administration.

495 609 WEAKNESS 0 1 0 1 11 Maybe more classes if at all possibible (probe)--the science classes

496 499 WEAKNESS 0 1 0 1 47 the parking situation

497 610 WEAKNESS 0 1 0 1 61 the tuition and fees--lower them

498 611 WEAKNESS 0 1 0 1 87 the atmosphere--I don;t know, actually. I don't know what I would change.

499 500 WEAKNESS 0 1 0 1 21 take the teachers that don't care to teach their students and kick em out

500 651 WEAKNESS 0 1 0 1 61 tuition

501 433 WEAKNESS 0 1 0 1 83 the greek system

502 652 WEAKNESS 0 1 0 1 24 try to make staff and faculty more ethnically diverse

503 434 WEAKNESS 0 1 0 1 11 offer more courses in speech

504 653 WEAKNESS 0 1 0 1 21 A few of the teachers that bring too much of their research into the classroom

505 389 WEAKNESS 0 1 0 1 99 I just came this fall so I didn't find anything wrong

506 654 WEAKNESS 0 1 0 1 92 diversity

507 435 WEAKNESS 0 1 0 1 99 nothing

508 525 WEAKNESS 0 1 0 1 12 i think they should put more empahsis of practical application of the professional fields if groups could go out and see the CPA firms and stuff like that

509 655 WEAKNESS 0 1 0 1 12 um... their 101 classes: make them more general and not as difficult they seem to be harder than 200 and 300 levels.

510 390 WEAKNESS 0 1 0 1 98 I can't think of anything

511 656 WEAKNESS 0 1 0 1 11 smaller class size and more interaction with profs.

512 181 WEAKNESS 0 1 0 1 21 well I have not been too happy with the computer sciences program, the undergrad. teachers could be more dedicated to their work.

513 436 WEAKNESS 0 1 0 1 11 some of the class sizes are too big some have 300 students they should make them smaller

514 391 WEAKNESS 0 1 0 1 98 i don't know

515 657 WEAKNESS 0 1 0 1 25 fact that a lot of GTFs teach lowerlevel courses

516 182 WEAKNESS 0 1 0 1 98 I think, what, I dont know.

517 658 WEAKNESS 0 1 0 1 21 quality of teachers

518 392 WEAKNESS 0 1 0 1 25 GTF invovlement, often I don't think that my questions are answered by the GTFs - it would have been more helpful to have the actual professors there

519 437 WEAKNESS 0 1 0 1 15 i would liketo get the pshycology people off the cognitive trip dept is valid and beign that i am a n artist i would like to go beyond science.

520 526 WEAKNESS 0 1 0 1 21 don't have professors specifu programs that are not bug free, i htink design workshops shouldn be specified for classes untl it's been specified

521 183 WEAKNESS 0 1 0 1 11 smaller classes and more group work.

522 527 WEAKNESS 0 1 0 1 82 get rid of ht eathletic department

523 393 WEAKNESS 0 1 0 1 11 class sizes..[by class size
 you mean?]. make them smaller
 524 184 WEAKNESS 0 1 0 1 73 improvement to the psych
 program- expand the program make it #1 instead of #22
 525 528 WEAKNESS 0 1 0 1 46 probably the food in the
 dorms
 526 394 WEAKNESS 0 1 0 1 23 maybe of the structure of
 the faculty because i think the students should have more contact with
 the faculty and the staff
 527 529 WEAKNESS 0 1 0 1 21 teaching staff, it mostly
 all directed towards the journalism school, lack of enthusiasm for their
 job, i'm dealing with a lack of support, instead of there's there more
 negative support instead of positive support and i feel its detrimental
 to young students
 528 185 WEAKNESS 0 1 0 1 61 tuition- lower it
 529 530 WEAKNESS 0 1 0 1 48 the biology
 dept.adminstration, i don't like the way they set up the core biology
 course 220-223
 530 395 WEAKNESS 0 1 0 1 61 tuition
 531 531 WEAKNESS 0 1 0 1 22 special interest groups ,
 professor who make money by selling their programs to students when they
 may not be the best programs to use, i can give you names if you like
 kevin matthews
 532 396 WEAKNESS 0 1 0 1 73 more funding for university
 theater
 533 532 WEAKNESS 0 1 0 1 99 nothing,
 534 397 WEAKNESS 0 1 0 1 25 make sure that when you have
 phds teaching the class, make sure that they're comfortable, its use less
 if they can't teach it well
 535 533 WEAKNESS 0 1 0 1 98 i don't know that i could
 think of one thing that quickly,
 536 534 WEAKNESS 0 1 0 1 98 I'm a total blank right now
 537 568 WEAKNESS 0 1 0 1 99 nothing
 538 398 WEAKNESS 0 1 0 1 23 I think the relationships
 between the faculty and the students should be a little more intimate
 than they are.
 539 659 WEAKNESS 0 1 0 1 98 can't think of anything at
 the moment,
 540 535 WEAKNESS 0 1 0 1 85 I'd have more theatrical
 performances
 541 569 WEAKNESS 0 1 0 1 21 some of the undergraduate
 profs.
 542 660 WEAKNESS 0 1 0 1 52 your computer situation, the
 lab is overloaded , too many people with too much computer work for the
 number of computers in the lab.
 543 536 WEAKNESS 0 1 0 1 44 I don't know maybe the time
 involved in the terms
 544 399 WEAKNESS 0 1 0 1 11 Like to see more on-line
 classes.
 545 186 WEAKNESS 0 1 0 1 87 I would make it a little
 less liberal of a school
 546 570 WEAKNESS 0 1 0 1 51 library - make more user
 friendly computer system
 547 400 WEAKNESS 0 1 0 1 25 well, not having so many
 GTF's teaching classes
 548 537 WEAKNESS 0 1 0 1 11 Um, smaller classes. I know
 that's not possible...
 549 661 WEAKNESS 0 1 0 1 62 lack of financial aid
 550 701 WEAKNESS 0 1 0 1 23 I guess like the concern for
 students from the faculty. I think a lot of students just get lost in

the shuffle.

551	571	WEAKNESS	0	1	0	1	21	some instructors
552	572	WEAKNESS	0	1	0	1	52	more computers
553	702	WEAKNESS	0	1	0	1	61	If I could change tuition I would lower it, but that's not going to happen.
554	573	WEAKNESS	0	1	0	1	14	the rigor of the classes in non-archetecture classes
555	574	WEAKNESS	0	1	0	1	11	the student teacher ratio and teachers attitudes toward studetns
556	575	WEAKNESS	0	1	0	1	41	better student faculty relationships as far as offices in oregon hall and johnson hall .
557	703	WEAKNESS	0	1	0	1	11	maybe more classes in the different subjects so not so many people
558	187	WEAKNESS	0	1	0	1	99	that's a hard one I' m pretty content
559	576	WEAKNESS	0	1	0	1	99	nothing
560	188	WEAKNESS	0	1	0	1	98	i have to think about these types of questions
561	577	WEAKNESS	0	1	0	1	61	change the incidental fees policy.
562	704	WEAKNESS	0	1	0	1	52	more computers
563	189	WEAKNESS	0	1	0	1	92	more diversity
564	438	WEAKNESS	0	1	0	1	11	the availability of more majors maybe
565	190	WEAKNESS	0	1	0	1	31	the academic advising system the system is difficult and they don't spend enough time on academic advising.
566	705	WEAKNESS	0	1	0	1	61	out of state tutiton and to bring in more faculty of color and have a stronger ethnic program
567	191	WEAKNESS	0	1	0	1	23	maybe the attitudes of the faculty towards how well the students seem tjo be learning they don't seem to care as much as they should
568	578	WEAKNESS	0	1	0	1	52	access and availability of computers
569	706	WEAKNESS	0	1	0	1	52	accesss to computers meeting the need of the demand
570	439	WEAKNESS	0	1	0	1	99	boy, uh, let's see, I have nothing to suggest to change, nothing really pops into my head
571	579	WEAKNESS	0	1	0	1	31	advising/involvement in education through advisors
572	192	WEAKNESS	0	1	0	1	99	nothing comes to mind
573	440	WEAKNESS	0	1	0	1	61	lower tuition
574	707	WEAKNESS	0	1	0	1	61	lower tutition
575	441	WEAKNESS	0	1	0	1	25	I would like more instructors and less GTF's
576	193	WEAKNESS	0	1	0	1	11	class size- the classes especially the lower division undergraduate ones are too large.
577	580	WEAKNESS	0	1	0	1	81	no one knows about the ASUO I think they need to get out and introduce them selves. no onw knows what is going on unless they read it in the Emerald. I think it should be the other way around, peopleshould know what is going on and then they should read it in the emerald.
578	194	WEAKNESS	0	1	0	1	52	the computing center-last Tuesday I waited for an hour to get on a computer, it is just impossible to get on a computer
579	581	WEAKNESS	0	1	0	1	11	variety of classes offered.
580	442	WEAKNESS	0	1	0	1	61	lower the fees
581	708	WEAKNESS	0	1	0	1	42	duckcall it isn't as easy to get the classes as they say
582	195	WEAKNESS	0	1	0	1	23	teacher student

relationships-i would like smaller classes for more contact with the teachers

583 612 WEAKNESS 0 1 0 1 74 my GPA, no, i don't know remodel PLC, boythat a tough one, youve stumped me agian, make it easier to graduate, i afraid i cna' not think fo ahything

584 613 WEAKNESS 0 1 0 1 48 fine arts dept. registration availibilty of classes, alto of fine arts classes can't get classes that we need and are sometimes froced to take a fifth year to get classes we need

585 614 WEAKNESS 0 1 0 1 44 i change the quarter system to the semeter system, more time to cacth up..

586 615 WEAKNESS 0 1 0 1 31 better advising, academic

587 616 WEAKNESS 0 1 0 1 95 the weather, let's see, geez, i don't know, i really don't know. imm ppretty satisfied, i like to go her for less,

588 617 WEAKNESS 0 1 0 1 61 the cost of it

589 709 WEAKNESS 0 1 0 1 84 more involvement by others

590 618 WEAKNESS 0 1 0 1 32 the availability of advisors espically for frensman as a freshman i wish i would of known more

591 710 WEAKNESS 0 1 0 1 92 I kind of find the campus as mostly white students, I think there should be more diversity

592 619 WEAKNESS 0 1 0 1 11 class size

593 336 WEAKNESS 0 1 0 1 23 probably even though it has lots of opportunity the uo is not quite as helpful, overall its a great school but you know, there are some things...

594 711 WEAKNESS 0 1 0 1 95 the weather

595 712 WEAKNESS 0 1 0 1 11 class size

596 620 WEAKNESS 0 1 0 1 87 i think that we should become more politiclaly active towards outside issues, for example, OSPIRG caannot become politcailya ctive and there are alot of issues that they could become involoed in such as tha salvage writer, that the University provcalims itself to be extrememly non prejudicedabut i think that deep down they are andthat they are fake about it, and alos that although i support althelt scholarships, i think tha thye are given teachers sho support sprots that they make it easy for them

597 621 WEAKNESS 0 1 0 1 23 more contact with more professors, need more contact

598 622 WEAKNESS 0 1 0 1 89 i'd say...probably the amount of off cmapus programs available, i mean like programs working with the community

599 623 WEAKNESS 0 1 0 1 61 no ican't think of anything, well, i guess the tuittion, it's kinda expensieve

600 624 WEAKNESS 0 1 0 1 47 the parking

601 625 WEAKNESS 0 1 0 1 71 i think that they should get some kind osf sponzor to helpw ith the financial, becuase i think we are in some kind of trouble, becuase before i came heere, i wa upt at he WU and the tution was the mostly about the same and now the U of O tution has gone up about, umm, i don't know, but it's laot more that the WU nd the WU has some sort of sponshr and that what i am most xoncerned aobut ant that th e one thing that ahs mad me think of moving somewhere

602 626 WEAKNESS 0 1 0 1 92 i guess, multicultural awareness

603 662 WEAKNESS 0 1 0 1 61 probably the tutition not to go up every year it would be great if it could stay the same for awhile

604 663 WEAKNESS 0 1 0 1 47 parking

605 664 WEAKNESS 0 1 0 1 22 more professors who spend more time teaching their classes and not as much time on the research i feel there is too much time on the research and the classes suffer

606 582 WEAKNESS 0 1 0 1 19 it is difficult in some

classes because i don't speak well

607 665 WEAKNESS 0 1 0 1 61 tuition

608 583 WEAKNESS 0 1 0 1 51 it's library the information is too hard to access

609 666 WEAKNESS 0 1 0 1 11 smaller class sizes

610 584 WEAKNESS 0 1 0 1 11 make sure that there are course offered for the community who are employed full time it is very hard to get classes

611 667 WEAKNESS 0 1 0 1 92 more student racial diversity and also faculty diversity.

612 585 WEAKNESS 0 1 0 1 48 change some things about the architecture department have it more related to the rest of the university

613 668 WEAKNESS 0 1 0 1 61 to keep the fees lows

614 669 WEAKNESS 0 1 0 1 61 lower the tutition

615 670 WEAKNESS 0 1 0 1 85 more social activities

616 627 WEAKNESS 0 1 0 1 61 all ther cheesy little fines you get for everything, like parking and the library i dont know

617 671 WEAKNESS 0 1 0 1 51 availiblity of staff and resources, library staff, so forth

618 672 WEAKNESS 0 1 0 1 11 have larger class sizes in some of the upper division classes

619 628 WEAKNESS 0 1 0 1 51 the library we should be able to check out book for londger

620 673 WEAKNESS 0 1 0 1 74 i would like to imprvove the physicall accomadations for older studnets, fro all students, i'd like to see larger desks adult size desks instead of those grade school size, smaller classe, better sound system, a better library with more popular books for lending, let's see, that's about it

621 629 WEAKNESS 0 1 0 1 31 the counselor situation, in other words having more acces to your counselors to find about requirements

622 674 WEAKNESS 0 1 0 1 31 uh, i'd probably say the adivsing, it hink it needs to be a little more intenseive, i think we should be required to see our adivosirs everyt threee months or so

623 675 WEAKNESS 0 1 0 1 11 better student teacher ratio,

624 630 WEAKNESS 0 1 0 1 85 probably the number of activities

625 631 WEAKNESS 0 1 0 1 25 one is to have less tas and more professors with doctoratezs certifies profss

626 676 WEAKNESS 0 1 0 1 83 the greek system, i would increase the membership and break down the stereotypes

627 632 WEAKNESS 0 1 0 1 61 faculty, no i think it would tuition i wolud lower tuition thats better

628 677 WEAKNESS 0 1 0 1 11 more choice for the class.

629 678 WEAKNESS 0 1 0 1 13 graduation requirements as far as general requirements go.

630 679 WEAKNESS 0 1 0 1 99 nothing actually

631 680 WEAKNESS 0 1 0 1 61 tuition, too high

632 586 WEAKNESS 0 1 0 1 98 i really cant think of anything right now.

633 587 WEAKNESS 0 1 0 1 25 not having GTF's grade student work, at least not all of it.

634 588 WEAKNESS 0 1 0 1 61 tuition costs.

635 589 WEAKNESS 0 1 0 1 61 lower the fees, that is just a current thing that is bugging me.

636 681 WEAKNESS 0 1 0 1 48 the art department become more professional more upper level classes

637 591 WEAKNESS 0 1 0 1 41 the service and attention

that you get at oregon hall because for the most part, most of people i have delt with are rude.

638 592 WEAKNESS 0 1 0 1 51 make the library easier to get stuff.

639 593 WEAKNESS 0 1 0 1 84 I would probably get more involved.

640 682 WEAKNESS 0 1 0 1 21 the intro level courses the professors are short in answering questions they appear not to want to be there it/s a real turn off until you get past those classes if you get past those classes

641 594 WEAKNESS 0 1 0 1 11 to have night classes for working people.

642 595 WEAKNESS 0 1 0 1 74 a study room or some place to hang out in between classes in Gilbert hall like other buildings have.

643 683 WEAKNESS 0 1 0 1 92 the u of o in being able to keep students of color

644 596 WEAKNESS 0 1 0 1 14 the quality of undergraduate education.

645 684 WEAKNESS 0 1 0 1 11 smaller classes

646 597 WEAKNESS 0 1 0 1 23 consistency of, oh i mean a number of things but that is just general. (would you be more spec.?) consistency among professors and consistency among a work load, ya deffinatly work load of classes.

647 685 WEAKNESS 0 1 0 1 62 i would change financial aide increase it for aout of state students

648 686 WEAKNESS 0 1 0 1 52 i mean the open hours, of the computer lab, maybe extend to twenty four hours

649 713 WEAKNESS 0 1 0 1 42 Conceners about Duckcall. By the time the freshmen can register, the Jr. and Sr. s have already "loaded-up" on classes (they are not planning to take) -- and then they can always drop these classes later. Parking is a huge issues -- huge!!! I already pay 60/yr. and I can never find a place!! Maybe specify one lot only for staff, and another one for students. Maybe a lot or something!! Everyone I've talked to is pissed off about the parking situation!! BillDaly--GREATPROF

650 687 WEAKNESS 0 1 0 1 88 umm, i guess it'd probably be segregationa and racism,

651 714 WEAKNESS 0 1 0 1 61 Cheaper. Dead week be dead week and not have finals and projects due, and everything else.

Everywhere else in the world, this sort of stuff is not due during dead week; here it is!!

652 688 WEAKNESS 0 1 0 1 11 class size

653 689 WEAKNESS 0 1 0 1 84 seem to be some wya, to get peopelinvolved to keep the clampsu, or make peopel aware of wht they ar doing with their trach

654 715 WEAKNESS 0 1 0 1 11 I would change the class size. Lower the size, so there can be more interaction with proffessors.

655 716 WEAKNESS 0 1 0 1 22 Uhhmmm. I don't know. probbly, their...the psychology dept., and how the profs. in psychology have too much research to do. and their lack of time for students. that's just muy personal opinion.

656 690 WEAKNESS 0 1 0 1 11 more classes in the same so that people can get in, so they are not full too quickley

657 691 WEAKNESS 0 1 0 1 25 less GTFS teach some of the classes

658 717 WEAKNESS 0 1 0 1 11 I would have them deal more...you know like...the core classes are too big...they are trying to shove 500 students into one class...ridiculous... they need to

concentrate more on quality of teaching, rather than quantity. Offer more actual time periods -0 more classes - in the required classes. to get the size down.

659 718 WEAKNESS 0 1 0 1 23 uhhhhmmmm. probably say...more advising and help from the faculty, from when you are a freshman up until you grad. the SAME advisor, with required mtgs. and things.

660 605 WEAKNESS 0 1 0 1 23 umm some of the format of classes, they need to be more personable, as opposed to such a - i don't know - more individual instruction and more experience orineted learning.

661 719 WEAKNESS 0 1 0 1 61 Lower the tuition.!!

662 692 WEAKNESS 0 1 0 1 48 my major - the way my major is run (fine arts) [tell more?] getting classes in fine arts, basically they have a time set up and they don't tell you until about a week before for the signup time and the sched book is not out, so you can't sched around other classes. You stand in line, I got there about 3:30 am, they don't count the credits you're taking - like last spring I couldn't be counted as a senior. Aslo problems with how internships are run, and not enough computers. probs w/prof who runs internships.

663 720 WEAKNESS 0 1 0 1 48 sometimes in the dept., classes are scheduled for the same times. I've had problems with that; others have complained. Some classes i NEED to take, but they are offered at the same times. That is a problem,

664 693 WEAKNESS 0 1 0 1 95 the weather [any else] not as many arts and letters requirements

665 694 WEAKNESS 0 1 0 1 45 I would say dorm life [tell more] dorm housing and the eating situation. I wd like make bigger dorm rooms, and have the cafeteria open all the time and where you can eat any time you want.

666 695 WEAKNESS 0 1 0 1 51 I work at the library and a major problem is that all new students should be required to take a class in library proficiency - a 1 credit pass/no pass class or a library proficiency test. Also to make the libr more user friendly. Need mroe librarians. Libr use has increased phenomenally this year. I'd like to see weak dept like ethnic studies either be funded or dissolved [comments on politics about faculty members leaving UO about it]

667 721 WEAKNESS 0 1 0 1 61 Lower the tuition -- especially for non-resident student.

668 696 WEAKNESS 0 1 0 1 31 the advising staff -- keeping more involved with more of the students -- easier access to them, in Oregon Hall

669 722 WEAKNESS 0 1 0 1 47 Parking. There s not enought parking. Maybe they could put parking structures in.

670 697 WEAKNESS 0 1 0 1 92 cultural diversity - need more decrease tuition costs also increase the amount of emphasis on academics in general, to foster an environment that is more conducive to what its supposed to be about.

671 723 WEAKNESS 0 1 0 1 99 everything is just fine with me.

672 698 WEAKNESS 0 1 0 1 11 sometimes I wish it was a little smaller...in my larger classes, I don't feel its easy to meet any other kids in the class. It's hard to meet people in those large class settings.

673 590 WEAKNESS 0 1 0 1 98 i cant think of anything.

674 699 WEAKNESS 0 1 0 1 11 class size--smaller. for more specific attention from instructors.

675 724 WEAKNESS 0 1 0 1 26 i would take a certain professor out of this school and banish him forever. He shouldnt be

allowed to teach. For bad ethics out of class. I think he should not be allowed to teach.

676 700 WEAKNESS 0 1 0 1 11 make a women's studies major.

677 725 WEAKNESS 0 1 0 1 32 more information for the students for more getting involved in the activity.

678 751 WEAKNESS 0 1 0 1 61 Tuition is too high. Computer system sometimes has problems -- upgrade the hardware. for instance, OSU is already using windows 95, and we do not.

679 752 WEAKNESS 0 1 0 1 23 faculty being... available enough. too many TA's in difficult courses. The profs bring in a lot of research and knowldege, but theyre not necessarily good teachers!! Getting the message across is their problem., or getting excited about the material. Theyre too old ...huge generation gap going. The TA s are good, but so busy being grad. students, that its hard for them to teach courses.

680 726 WEAKNESS 0 1 0 1 22 change the amount of effort that professors spend on research and sway it towards teaching.

681 727 WEAKNESS 0 1 0 1 31 the accessability to advising such as peer advisors and tutoring is also another one.

682 753 WEAKNESS 0 1 0 1 25 Don't want GTF's to teach upper division classes. Upper division classes need smaller class size.

683 633 WEAKNESS 0 1 0 1 92 recruitment and retention of student and facultly of color

684 728 WEAKNESS 0 1 0 1 11 offer more classes per term. They only offer one class per term and you have to wait a whole time to take it.

685 754 WEAKNESS 0 1 0 1 23 Just getting to know your professors more.

686 634 WEAKNESS 0 1 0 1 11 samller classes

687 729 WEAKNESS 0 1 0 1 47 parking

688 635 WEAKNESS 0 1 0 1 99 i can't think of anything

689 755 WEAKNESS 0 1 0 1 14 The academic standards should be higher, for entrance into the university.

690 730 WEAKNESS 0 1 0 1 99 can i skip that? It is too involved

691 756 WEAKNESS 0 1 0 1 47 parking. I do not understand why they cannot manage a parking garage, even if they contracted with the city and built one a couple of blocks away. Before my kids grew a little older, it was a nightmare.

692 731 WEAKNESS 0 1 0 1 25 Less GTF"s teaching courses. I think that for a university like the U of O., they don't have enough trained people to teach what they need to teach. Some of my GTF's in economics teach stri ctly from the book. I'd rather here what he has to say...More hands on experiences.

693 757 WEAKNESS 0 1 0 1 11 class sizes when you are a freshman and you come into those class sizes it is kind of freighting.

694 732 WEAKNESS 0 1 0 1 12 The undergrad courses;...the large classrooms where they just lecture and regurgitate what the book says...I only had a couple of classes that had disc. secctions, but I found them helpful.

695 758 WEAKNESS 0 1 0 1 98 i dont know, i havent thought much about it.

696 759 WEAKNESS 0 1 0 1 48 registration. The process for registration for the graphic design/fine arts.

697 733 WEAKNESS 0 1 0 1 42 I would make DUCK call be open 24 hours.

698 760 WEAKNESS 0 1 0 1 11 its size

699 734 WEAKNESS 0 1 0 1 84 I don't know how to phraseit, but I would make the people take school more seriously.

People don't seem to think about the future very much...

700 761 WEAKNESS 0 1 0 1 47 parking
701 736 WEAKNESS 0 1 0 1 26 the Math dept. I don't think the GTYF's are competent, and I don't think the prof's are very impartial, or...quality. I think the quality needs to improve. I don't think the grades I'm receiving is reflective of the work or the facts I'm receiving. This applies to the math dept. I don't think the grades show the amount of learning or the amount of improvement. and I don't think I'm being treated impartially. I'm leaving the math dept. feeling more bitter, than I am knowledgeable.
702 737 WEAKNESS 0 1 0 1 31 the advising. I don't feel that comfortable going to advising people--both Oregon Hall and my dept. It's just everything, I don't know where to go, also I don't know how important it is, cause I've already made my own decisions.
703 762 WEAKNESS 0 1 0 1 11 goodness that a good question, I think a larger Chinese department would be nice
704 738 WEAKNESS 0 1 0 1 61 cost of tuition could go down; or at least not go up.
705 763 WEAKNESS 0 1 0 1 32 probably closer relations with peer advising
706 735 WEAKNESS 0 1 0 1 41 The bureaucracy down at Oregon Hall--maybe their student relations...all the little steps and procedures and red-tape things that seem to take 45 minutes, when it could have been done in 10. and they're not very friendly.
707 598 WEAKNESS 0 1 0 1 21 the GTF's they need to be capable of teaching the class before they are allowed to do so
708 443 WEAKNESS 0 1 0 1 21 The French GTF program, they are the ones who teach 1st and 2nd year French.
709 599 WEAKNESS 0 1 0 1 11 THE AVAILABILITY OF CLASSES
710 444 WEAKNESS 0 1 0 1 98 I don't know.
711 600 WEAKNESS 0 1 0 1 47 GEEEE.. THE PARKING LADIES I ALWAYS GET TICKETED
712 739 WEAKNESS 0 1 0 1 21 Well... some of the profs. I don't think they want to teach, I think they want to be there for research. I don't think they should be teaching if they don't want to be. Actually I also think some classes I've had...it is hard to get sufficient help if you need it...times conflict and it is hard to get times set up...
713 764 WEAKNESS 0 1 0 1 61 all the costs, the money that you have to spend.
714 740 WEAKNESS 0 1 0 1 99 dksl. Nothing at all.
715 765 WEAKNESS 0 1 0 1 52 computer labs, they suck. I would like there to be more computers that run all the time and are not breaking down. parking, build an underground parking lot because the student body is expanding. and the computer labs suck they need to be serviced. They are constantly breaking down and losing my stuff. I use the labs all the time.
716 741 WEAKNESS 0 1 0 1 15 Add an engineering dept. Civil engineering.
717 766 WEAKNESS 0 1 0 1 91 less hippies
718 742 WEAKNESS 0 1 0 1 95 the weather. I can't think of anything off-hand, really; I've had a good experience here.
719 767 WEAKNESS 0 1 0 1 47 parking
720 743 WEAKNESS 0 1 0 1 95 Rain. I can't really think of anything.
721 768 WEAKNESS 0 1 0 1 21 GTF training. (expand on that?) it seems that I have had a lot of GTF's that don't know what they are talking about. The profs. know their subjects well but the GTF's don't and a lot of them end up getting dumped. I've heard a lot of other people say the same thing. To add to that I haven't noticed the

problem in the psychology dept.

722 744 WEAKNESS 0 1 0 1 47 Parking -- make sure you have a space for every student who registers, needing a space. MAKE sure you have a space! I have to work in Harrisburg, and at the coast, so you need to drive a lot, or leave classes early; I don't have time to ride home by bus and get my car.

723 636 WEAKNESS 0 1 0 1 61 humm, well, idon't know but i think that tuition is a big problem

724 769 WEAKNESS 0 1 0 1 48 the accounting dept. and its faculty members.

725 637 WEAKNESS 0 1 0 1 99 hm, nothing i guess

726 745 WEAKNESS 0 1 0 1 31 better advising.

727 746 WEAKNESS 0 1 0 1 99 I like it how it is.

728 770 WEAKNESS 0 1 0 1 32 advising, helping students figure out what credits they need to graduate for a certain major.

729 638 WEAKNESS 0 1 0 1 49 i think that out of state um, students should be able to gain residency after they've been here some period of time

730 747 WEAKNESS 0 1 0 1 99 No. nothing.

731 771 WEAKNESS 0 1 0 1 96 everything is perfect i would just change the town. i am from portland and i wish UO was in portland instead of in a small little town.

732 639 WEAKNESS 0 1 0 1 61 um, the increase in cost

733 748 WEAKNESS 0 1 0 1 47 Parking. Big parking structure right next to Oregon Hall.

734 749 WEAKNESS 0 1 0 1 23 I'd want the...a little more contact with teachers. I'm a senior and I'm still in very large classes; i find it hard to have contact with teachers, and form relationships with them, etc.

735 772 WEAKNESS 0 1 0 1 71 maybe I don't know I guess more funding

736 750 WEAKNESS 0 1 0 1 21 teacher apathy i think in the biology dept there are a lot of good researchers but researchers don't make good teacher it is very obvious that they are only teaching the course because they have to and they don't spent the time outside of class to help the students students come here because of the ranking and are very disappointed because hey never get into the lab as an undergrad i feel that there should be more caring teachers and not so many reachers

737 445 WEAKNESS 0 1 0 1 61 cheaper or keep tutition the same

738 446 WEAKNESS 0 1 0 1 61 tutition.

739 773 WEAKNESS 0 1 0 1 61 one is tuition and the jother one is the length of the terms I think they should be semesters and not terms.

740 447 WEAKNESS 0 1 0 1 14 more competitive academically

741 774 WEAKNESS 0 1 0 1 32 helping people discern their major earlier, career research is strong

742 775 WEAKNESS 0 1 0 1 11 class sizes-make them smaller

743 448 WEAKNESS 0 1 0 1 11 REGISTRATION CLASSES FILL UP TO FAST MORE SECTIONS NEEDED

744 776 WEAKNESS 0 1 0 1 11 probably smaller classes

745 449 WEAKNESS 0 1 0 1 99 Nothing, really

746 777 WEAKNESS 0 1 0 1 32 advising - has had trouble understanding what classes to take for his major

747 778 WEAKNESS 0 1 0 1 11 smaller classes at the 100 and 200 level

748 779 WEAKNESS 0 1 0 1 95 less rain

749 450 WEAKNESS 0 1 0 1 51 Whenever I go to the library it seem that half the books I need are missing or the information inthe computers is wrong or the books are not on the shelves. Advising Department - things could be clearer Maybe the term could be a week or two longer

750 196 WEAKNESS 0 1 0 1 11 Availability of classes.

751 197 WEAKNESS 0 1 0 1 31 better counseling or advising. Lower prices--tuition, or the ability to get in-state easier.

752 198 WEAKNESS 0 1 0 1 31 academic advising. well...I think the best thing would be to get invovled in the spe cial groups in the freshman year. (figs) I think thats imp. because I didn't do that. Also, I was admitted as a declared major--but I wanted to change my major, and every time I went to talk to someone about that, they indicated that wasn't an option. I had this problem for 3 years.

753 199 WEAKNESS 0 1 0 1 21 the inconsistencies. ..with teachers and courses. One teacher teaches one course one term, and then anotyer teacher teaces the same course a diff. term, and they are almost completely diff. classes.

754 200 WEAKNESS 0 1 0 1 25 I would like it if classes were not taught by GTF's, and were taught by prof's. especially the large classes. If someone is paying a lot of money for college, they should be educated by the best that is available.

755 781 WEAKNESS 0 1 0 1 21 better undergraduate professor, better qualified. And the health center, more qualified people working there-that know what they are doing.

756 640 WEAKNESS 0 1 0 1 12 the showing of more practical applications of what were learning in classrooms, demonstrations withiln the classroom.

757 782 WEAKNESS 0 1 0 1 98 i dont know.

758 641 WEAKNESS 0 1 0 1 51 i would make the library a little easier to find sources, and to update Janus.

759 783 WEAKNESS 0 1 0 1 14 it really scares me that people are not taught to think for themselves, i would eliminate multiple choice tests.
