Q:INCOME **NOTE: WE ASK THIS DIFFERENTLY NOW.**

Finally, I am going to read some broad categories of household income. Please do not tell me how much your household earns exactly. When I come to the category that best represents the total combined income before taxes of all members of this household during 1994, please stop me. This includes money from jobs, net income from a business, farm or rent, pensions, dividends, interest, social security payments, and any other money income received by members of this household.
