Oregon Pledge Song

Fair Oregon, we pledge to thee
Our honor and fidelity,
Both now and in the years to be,
A never failing loyalty.
Fair Oregon, thy name shall be
Written high in liberty.
Now, uncovered, swears thy every son
Our pledge to Oregon.

ACADEMIC COSTUME

The history of academic dress goes back several centuries, to the chill universities where cap and gown and hood were needed for covering and warmth. Subsequently this has become a ceremonial costume, with certain standardized features. For example, sleeves in the bachelor's gown are pointed, in the master's gown are oblong, in the doctor's gown are bell-shaped. Only the doctor's gown has velvet facing. The hood is lined with the official colors of the degree-conferring institution; for the University of Oregon these are lemon yellow and green. The outside trimming of the hood signifies the subject in which the degree was conferred, as follows:

Maize	Agriculture
White	Arts, Letters, Humanities
Drab	Commerce, Accountancy, Business
Lilac	Dentistry
Copper	Economics
Light Blue	Education
Orange	Engineering
Brown	Fine Arts, including Architecture
Russet	Forestry
Crimson	Journalism
Purple	Law
Lemon	Library Science
Green	Medicine
Pink	Music
Apricot	Nursing
Silver Gray	Oratory, Speech
Olive Green	Pharmacy
Dark Blue	Philosophy
Sage Green	Physical Education
Peacock Blue	Public Administration, including Foreign Service
Salmon Pink	Public Health
Golden Yellow	Science
Citron	Social Work
Scarlet	Theology
Gray	Veterinary Science

At the University of Oregon it is customary to hood doctors' candidates on the platform. Masters' candidates are not hooded at that time but wear their hoods in the academic procession. Traditionally, bachelors' candidates change the tassel on their cap from the front left to the front right as the degree is conferred. Caps are removed during prayer, the playing of the National Anthem and the Alma Mater, and during the commencement address if desired.

*Designates Distinguished Military Graduate

I consider knowledge to be the soul of a republic, and as the weak and the wicked are generally in alliance, as much care should be taken to diminish the number of the former as of the latter. Education is the way to do this, and nothing should be left undone to afford all ranks of people the means of obtaining a proper degree of it at a cheap and easy rate.

JOHN JAY, in a letter to Dr. Benjamin
Rush (concerning Dickinson College),
dated March 24, 1785.
