Dear Laurel Hill Valley Resident,

The Oregon Department of Transportation is proposing to build a sound barrier in your area as part of the Interstate 5 Willamette River Bridge replacement. Within the next few weeks, you should receive an official letter and survey asking your opinion about the construction of a sound barrier. Your response is appreciated.

Information about the sound barrier, including maps, visualizations and sound levels, can be viewed at [www.willamettebridge.org](http://www.willamettebridge.org).

For more information, contact:
