

**2021 Fall OIMB Seminar Series**  
**Oregon Institute of Marine Biology**  
**Online ZOOM seminars, Fridays at 4:00 pm Pacific:**

NOTE: Seminars are password protected but we'd like to accommodate guests!  
Contact organizer Dr. Aaron Galloway (agallow3@uoregon.edu)  
to request zoom invitation and password (24 h notice)

Oregon Estuarine Invertebrates

- Oct 1**     **Dr. Alexandra Davis** Liber Ero Postdoctoral Fellow, University of Alberta  
*"Developing strategies for marine invasive species control using spatially explicit tools and integrating stakeholder values"*
- Oct 8**     **Dr. Katrin Iken** Professor, College of Fisheries and Ocean Sciences, University of Alaska Fairbanks  
*"There is more than polar bears... diversity investigations in a changing Arctic"*
- Oct 15**    **Dr. Joanna Griffiths** Postdoctoral Researcher at the University of California, Davis; Dept. of Environmental Toxicology, Dept. of Wildlife, Fish, and Conservation Biology  
*"Evolutionary responses to climate change stressors in marine and freshwater systems"*
- Oct 22\***   **Mr. Kelly Andrews** Research Fisheries Biologist at NOAA's Northwest Fisheries Science Center in Seattle, WA  
*"Threatened and endangered rockfish in Puget Sound: towards an understanding of their ecology and recovery"*  
\*\*\*Public Lecture held at 7:00pm\*\*\*
- Oct 29**    **Dr. Gregory N. Nishihara** Professor, Nagasaki University, Organization for Marine Science and Technology, 2018 Pew Marine Fellow. **Mr. Dominic F. C. Belleza** PhD Student, Nagasaki University, Graduate School of Fisheries and Environmental Sciences.  
*"What is Isoyake and what can be done about it? Sargassum ecosystems in Nagasaki, Japan"* [two-person seminar]
- Nov 5**     **Dr. Emily Choy** NSERC & L'Oréal-UNESCO For Women in Science Research Excellence Postdoctoral Fellow at McGill University and Environment and Climate Change Canada  
*"Upper trophic predators as sentinels of environmental change in Arctic marine ecosystems"*
- Nov 12**    **Dr. Kelly H. Dunning** Assistant Professor, Auburn University School of Forestry and Wildlife  
*"Implementing the Convention On Biodiversity in megadiverse countries: public policy and coral reef conservation in Southeast Asia"*
- Nov 19**    **Dr. Peter Walker** Professor, Department of Geography and Environmental Studies, University of Oregon  
*"This changes everything: social adaptation to climate-driven wildfire risk in Western Oregon"*
- Nov 26**    **No seminar – Thanksgiving holiday**
- Dec 3**     **Dr. Matthew Bracken** Professor, Department of Ecology and Evolutionary Biology, University of California, Irvine  
*"Snails, slime, and spatial scale: unanticipated effects of consumers in marine systems"*
