from the

UNIVERSITY OF OREGON

MEDICAL SCHOOL

Volume II

1924

List of Contributors

WILLIAM F. ALLEN

I. C. BRILL

GEORGE E. BURGET

T. HOMER COFFEN

ROBERT C. COFFEY

WILMOT C. FOSTER

R. W. GARHART

HOWARD D. HASKINS

RAYMOND W. HAUSLER

WILLIAM P. HOLBROOK

LESTER T. JONES

NOBLE WILEY JONES

THOMAS M. JOYCE

LYLE B. KINGERY

OLOF LARSELL

D. W. MACK

RALPH C. MATSON

C. ULYSSES MOORE

HAROLD B. MYERS

HOMER P. RUSH

HARRY J. SEARS

CONTENTS

1. ALLEN, WILLIAM F. Distribution of the fibers originating from the different basal cerebellar nuclei. (Journal of comparative neurology, Vol. 36, No. 4, April, 1924).
2. ALLEN, WILLIAM F. Localization in the ganglion semilunare of the cat. (Journal of comparative neurology, Vol. 38, No. 1, December, 1924).
3. BRILL, I. C. Studies in the diastatic activity of the blood, with a consideration of its value in clinical diagnosis. (Archives of internal medicine, Vol. 34, No. 4, pp. 542-552, October, 1924).
4. BURGET, G. E. Lazzaro Spallanzani, (1729-1799). (Annals of medical history, Vol. 6, No. 2, pp. 177-184, June, 1924).
5. COFFEN, T. HOMER. Early recognition of heart disorders. (Northwest medicine, Vol. 23, No. 8, August, 1924).
6. COFFEY, ROBERT C. Principles of the operation for carcinoma of the rectum. (Surgery, gynecology and obstetrics, Vol. 38, No. 6, pp. 723-736, June 1924).
7. FOSTER, W. C. and HAUSLER, R. W. Studies on acute intestinal obstruction. II. Acute strangulation. (Archives of internal medicine, Vol. 34, No. 5, pp. 697-713, November, 1924).
8. HASKINS, HOWARD D. and HOLBROOK, W. PAUL. A uniform method for the estimation of glucose in blood and urine. (Northwest medicine, Vol. 23, No. 8, August, 1924).
9. HAUSLER, R. W. and FOSTER, W. C. Studies of acute intestinal obstruction. I. Different types of obstruction produced under local anesthesia. (Archives of internal medicine, Vol. 34, No. 1, pp. 97-107, July, 1924).
10. JONES, NOBLE WILEY and JOYCE, THOMAS M. Infection of the gall bladder in relation to pernicious anemia. (American journal of the medical sciences, Vol. 168, No. 4, October, 1924).
1. KINGERY, LYLE B. Precision in dermatologic roentgen therapy. The value of recent refinements in apparatus: preliminary report. (Archives of dermatology and syphilology, Vol. 9, No. 6, pp. 738-745, June, 1924).
2. LARSELL, O. and BURGET, G. E. Effects of mechanical and chemical stimulation of the tracheo-bronchial mucous membrane. (American journal of physiology, Vol. 70, No. 2, October, 1924).

13. LARSELL, O. Anders A. Retzius (1796-1860). (Annals of medical history, Vol. 6, No. 1, pp. 16-24, March, 1924).
14. LARSELL, O. Cerebellum of the frog. (Journal of comparative neurology, Vol. 36, No. 2, December, 1923).
15. LARSELL, O. Nucleus isthmi of the frog. (Journal of comparative neurology, Vol. 36, No. 3, February, 1924).
16. MATSON, RALPH C. Framingham health and tuberculosis demonstration. Community prevention, control, and treatment of diseases, as carried out at Framingham, Massachusetts, U. S. A. (Lancet, Vol. 206, No. 24, p. 1243, June 14, 1924).
17. MOORE, C. ULYSSES. Newer clinical signs of early rickets. (Journal of the American medical association, Vol. 83, No. 19, pp. 1469-1473, November 8, 1924).
18. MYERS, HAROLD B. Cross tolerance: decreased renal response to theobromin and theophyllin in rabbits tolerant toward caffeine. (Journal of pharmacology and experimental therapeutics, Vol. 23, No. 6, July, 1924).
19. MYERS, HAROLD B. Renal tolerance of caffeine. (Journal of pharmacology and experimental therapeutics, Vol. 23, No. 6, July, 1924).
20. RUSH, H. P. Satisfactory method for demonstrating gastrointestinal movement on the frog. (Journal of laboratory and clinical medicine, Vol. 8, No. 5, February, 1924).
21. RUSH, H. P. and JONES, L. T. Thyroid studies. II. Changes in the thyroid gland produced by fecal extracts. (American journal of physiology, Vol. 70, No. 1, September, 1924).
22. SEARS, H. J., GARHART, R. W., and MACK, D. W. A milk borne epidemic of typhoid fever traced to a urinary carrier. (American journal of public health, Vol. 14, No. 10, October, 1924).
