The next two questions are based on recommendations by the Josephine County Criminal Justice Task Force. This local citizen group studied ways to provide funding for our county's Criminal Justice System because the State Jail Inspector said our County Jail has too few staff members to house more than 170 inmates.

With this in mind, I need to ask you about how to best fund the county jail. Please tell me if you strongly favor, somewhat favor, somewhat oppose, or strongly oppose each of the following propositions.

Q:TAX1

T:

Many county services are paid for with general discretionary dollars from county timber receipts, property taxes, and federal "O and C" funding.

O and C funding is money paid by the federal government to Josephine County for the sale of timber on federal land. Since logging on federal lands has been greatly reduced in the county, this source of funding is currently being phased out. Given that federal funding for the county is declining, how much do you support paying for county services through user fees, for example at parks and other places of recreation?
